WHEREAS, subject to the terms and conditions set forth in this Agreement, the Transferor desires to transfer, convey, assign and deliver to the Transferee, and the Transferee desires to receive and accept from the Transferor, all of the Transferor's right, title and interest in and to the assets of the Transferor set forth on Schedule 1 attached hereto (collectively, the "Transferred Assets"); and

NOW THEREFORE, in consideration of the foregoing, and the mutual covenants stated herein and intending to be legally bound, the parties hereto hereby agree as follows.

1. Transfer. As of the date hereof, the Transferor hereby transfers, conveys, assigns and delivers to the Transferee all rights, title and interest in, to and under all of the Transferred Assets (whether tangible or intangible, real or personal, and wherever located and by whomever possessed) (the "Transfer"). The Transferee hereby accepts the Transfer. Transferor, on behalf of itself and each of its successors and assigns, irrevocably constitutes and appoints each of the Transferee and each of its successors and assigns the true and lawful attorney of the Transferor and each of the Transferor's respective successors and assigns, with full power of substitution, and gives and grants unto each of the Transferee and each of its successors and assigns, and each of them, full power and authority in the name of the Transferor and each of the Transferor's respective successors and assigns, at any time and from time to time, to demand, sue for, exercise, recover and receive any and all rights, demands, claims and causes of action of every kind and description whatsoever incident or relating to the Transferred Assets, for the sole purpose of fully vesting in Transferee, its successors and assigns, all and singular, all the rights, title and interest in and to the Transferred Assets, including all Intellectual Property Rights included in the Transferred Assets, all records and files exclusively related thereto, the right to claim priority in accordance with international treaties and conventions, and all common law rights relating thereto, together with the goodwill of the Transferor symbolized thereby, and in the case of any of the foregoing, together with all (i) income, royalties, claims for
