**WHEREAS**, in connection with the Credit Agreement, the Grantor has entered into the Pledge and Security Agreement, dated as of April 22, 2019 (as amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), in favor of the Agent for the benefit of the Secured Parties; and

**WHEREAS**, the Security Agreement requires the Grantor to execute and deliver this Trademark Security Agreement;

**NOW, THEREFORE**, in consideration of the premises and in order to ensure compliance with the Credit Agreement, the Grantor hereby agrees as follows:

**Section 1**     **Defined Terms**. Capitalized terms used herein without definition have the meanings set forth in the Security Agreement or if not defined in the Security Agreement, have the meanings set forth in the Credit Agreement.

**Section 2**     **Grant of Security Interest in Trademark Collateral**. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of the Grantor, hereby grants to the Agent for the benefit of the Secured Parties, a security interest in, all of its right, title and interest in, to and under the following Collateral (but not including, in each case, any Excluded Collateral) (the “**Trademark Collateral**”):

(i)     all of its (a) trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other source or business identifiers, and designs, whether now existing or hereafter adopted or acquired, all registrations and recordings thereof, (b) all applications for registration thereof, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, (c) all reissues, extensions or renewals thereof, (the property described in clauses (a), (b) and (c), collectively, “**Trademarks**”) , including, without limitation, those United States applications and registrations referred to on **Schedule I** hereto, (d) all goodwill associated with or symbolized by any of the foregoing, and (e) all licenses providing for the grant by or to the grantor of any right under any of the foregoing (“**Trademark Licenses**”); and

(ii)     all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

**Section 3**     **Security Agreement.** The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement, and the Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict or inconsistency between this Trademark Security Agreement and the Security Agreement (or any portion hereof or thereof), the terms of the Security Agreement shall prevail.

**Section 4**     **Representation and Warranty.** Schedule I correctly sets forth all applied for and federally registered Trademarks owned by such Grantor in its own name as of the date hereof.

**Section 5**     **Grantor Remains Liable.** The Grantor hereby agrees that, anything herein to the contrary notwithstanding, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks and Trademark Licenses subject to the security interest granted hereunder.

**Section 6**     **Counterparts.** This Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.
