EXECUTION VERSION

TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “**Trademark Security Agreement**”) is made this April 8, 2019, among the Grantors listed on the signature pages hereof (collectively, jointly and severally, the “**Grantors**” and each individually a “**Grantor**”), and Wilmington Trust, National Association, as Collateral Agent for the Secured Parties (in such capacity, together with its successors and assigns, the “**Collateral Agent**”) under the Note Purchase Agreement (defined below).

WITNESSETH:

WHEREAS, pursuant to that certain Note Purchase and Guarantee Agreement, dated April 8, 2019 (as amended, restated, supplemented or otherwise modified from time to time, the “**Note Purchase Agreement**”), by and among, *inter alios*, the Grantors, the Collateral Agent and the purchasers and the other holders of the Notes from time to time party thereto (the “**Purchasers**”), the Purchasers are willing to purchase the Notes pursuant to the terms and conditions thereof;

WHEREAS, the Purchasers are willing to purchase the Notes as provided for in the Note Purchase Agreement, but only upon the condition, among others, that the Grantors and certain other parties thereto shall have executed and delivered to the Collateral Agent, for the benefit of the Secured Parties, that certain Security Agreement, dated as of April 8, 2019 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “**Security Agreement**”); and

WHEREAS, pursuant to the Security Agreement, the Grantors are required to execute and deliver to the Collateral Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement and/or the Note Purchase Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL**. Each Grantor hereby unconditionally grants, collaterally assigns and pledges to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in all of such Grantor’s right, title and interest in, to and under the following, whether now owned or hereafter created or acquired (collectively, the “**Trademark Collateral**”):

(a) all of its Trademarks and rights in and to exclusive Intellectual Property Licenses with respect to Trademarks to which it is a party including those referred to on Schedule I hereto;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Intellectual Property License, (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Intellectual Property License or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License.

3. SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by the Grantors, or any of them, to the Collateral Agent or the other Secured Parties, but for the fact that they are unenforceable or not allowable due to the existence of a proceeding under Bankruptcy Laws involving any Grantor.

4. SECURITY AGREEMENT. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Secured Parties with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Section 22 of the Security Agreement is incorporated herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Grantors shall give notice in writing to the Collateral Agent as required by the Security Agreement with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting the Grantors' obligations under this Section 5, the Grantors hereby authorize the Collateral Agent to unilaterally amend Schedule I to include future United States registered trademarks or trademark applications of the Grantors. Notwithstanding the foregoing, no failure to amend Schedule I shall in any way affect, invalidate or detract from the Collateral Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall together constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement.

7. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF.

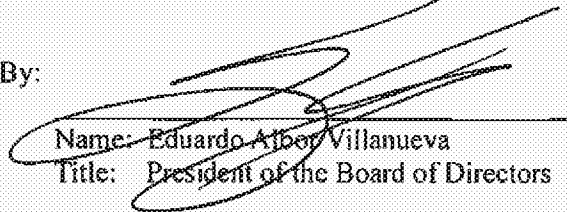

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
