The words "hereof," "herein," "hereby," "hereunder," and other similar terms refer to this Agreement as a whole and not to any particular provision of this Agreement. Any initially capitalized terms used but not defined herein shall have the meaning set forth in the Loan Agreement. Any reference herein to any of the Loan Documents includes any and all alterations, amendments, extensions, restatements, modifications, renewals, or supplements thereto or thereof, as applicable. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against Lender or Debtors, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by Debtors, Lender, and their respective counsel and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of Lender and Debtors.

2. **Grant of Security Interest**. Each Debtor hereby grants to Lender a first-priority security interest in, and conditionally assigns, but does not transfer title, to Lender, all of such Debtor's right, title, and interest in and to the Collateral to secure the Obligations.

3. **Representations, Warranties and Covenants**. Each Debtor hereby represents, warrants, and covenants that:

(a) (i) A true and complete schedule setting forth all federal and state registrations of marks owned by such Debtor, together with a summary description and full information in respect of the filing or issuance thereof and expiration dates, is set forth on Schedule A;

(ii) A true and complete schedule setting forth all patent and patent applications owned by such Debtor, together with a summary description and full information in respect of the filing or issuance thereof and expiration dates, is set forth on Schedule B;

(iii) A true and complete schedule setting forth all copyright registrations owned by such Debtor, together with a summary description and full information in respect of the registration, filing or issuance thereof and expiration dates, is set forth on Schedule C.

(b) To the best of such Debtor's knowledge as of the date hereof, each of the patents, marks, copyrights and registrations of marks and copyrights is valid and enforceable, and such Debtor is not presently aware of any past, present, or prospective claim by any third party that any of the patents, marks or copyrights is invalid or unenforceable, or that the use of any patents or marks or copyrights violates the rights of any third person, or of any basis for any such claims except as set forth on Schedule A or Schedule B or Schedule C, as the case may be.

(c) Except as set forth on Schedule D, attached hereto, each Debtor is the sole and exclusive owner of the entire and unencumbered right, title, and interest in and to each of the patents, patent applications, marks, mark registrations, copyrights and copyright registrations, free and clear of any liens, charges, and encumbrances, including, without limitation, pledges, assignments, licenses, shop rights, and covenants by such Debtor not to sue third persons;

(d) Each Debtor has used and will continue to use proper statutory notice in connection with its use of each of the patents, registered marks, copyrights and copyright registrations;

(e) Each Debtor has used and will continue to use consistent standards of high quality (which may be consistent with such Debtor's past practices) in the sale and delivery of products and services sold or delivered under or in connection with the patents, marks and copyrights, including, without limitation and to the extent applicable, in the operation and maintenance of its merchandising operations, and will continue to maintain the validity of the patents, marks and copyrights;

(f) Except for the filing of financing statements as contemplated by the Loan Documents and filings with the United States Patent and Trademark Office and the United States Copyright Office necessary to perfect the security interests created hereunder with respect to domestic patents, trademarks and copyrights, no authorization, approval, or other action by, and no notice to or filing with, any U.S. governmental authority or regulatory body is required either for the grant by Debtors of the security interest hereunder or for the execution, delivery, or performance of this Agreement by Debtors or for the perfection of or the exercise by Lender of its rights hereunder in and to the Collateral in the United States.

4. **After-Acquired Patent, Copyright or Trademark Rights.** If a Debtor shall obtain or create rights to any new marks or copyrights, any new patentable inventions, or become entitled to the benefit of any patent application or patent for any reissue, divisional, or continuation, of any patent, the provisions of this Agreement shall automatically apply thereto. Each Debtor shall give prompt notice in writing to Lender with respect to any such new marks, copyrights and patents, and to the renewal or extension of any registration of a mark or copyright. Each Debtor

shall bear any expenses incurred in connection with future patent applications and registrations of marks and copyrights.

5. **Litigation and Proceedings.** Each Debtor shall commence and diligently prosecute in its own name (or, if necessary, a predecessor's name), as the real party in interest, for its own benefit, and at its own expense, such suits, administrative proceedings, or other actions for infringement or other damages as are in its reasonable business judgment necessary to protect the Collateral. Each Debtor shall provide to Lender any information with respect thereto requested by Lender. Lender shall provide at a Debtor's expense all necessary cooperation in connection with any such suits, proceedings, or actions, including, without limitation, joining as a necessary party provided that a Debtor is not responsible for Lender's attorneys' fees if Lender voluntarily chooses to become a party to any suit. Following a Debtor's becoming aware thereof, such Debtor shall notify Lender of the institution of, or any adverse determination in, any proceeding in the United States Patent and Trademark Office, or any United States, state, or foreign court regarding such Debtor's claim of ownership in any of the patents, marks or copyrights, such Debtor's right to apply for the same, or its right to keep and maintain such ownership and rights in the marks, patents and copyrights.

6. **Power of Attorney.** Each Debtor grants Lender power of attorney, having the full authority, and in the place of, such Debtor and in the name of such Debtor exercisable from time to time following an Event of Default (as defined in Section 8 hereof), and in Lender's discretion following such an Event of Default, to take any action and to execute any instrument which Lender may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation:

(a) To endorse such Debtor's name on all applications, documents, papers, and instruments necessary for Lender to use or maintain the Collateral;

(b) To ask, demand, collect, sue for, recover, impound, receive, and give acquittance and receipts for money due or to become due under or in respect of any of the Collateral;

(c) To file any claims or take any action or institute any proceedings that Lender may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce Lender's rights with respect to any of the Collateral and to assign, pledge, convey, or otherwise transfer title in or dispose of the Collateral to any person.

7. **Right to Inspect.** Each Debtor grants to Lender and its employees and agents the right to visit such Debtor's plants and facilities which manufacture, inspect, or store products sold under any of the patents, trademarks or copyrights, and to inspect the products and quality control records relating thereto at reasonable times during regular business hours and as provided in the Loan Agreement.

8. **Event of Default.** Any of the following events shall be an Event of Default: An Event of Default shall occur as defined in the Loan Agreement;

9. **Specific Remedies.** Upon the occurrence and continuance of any Event of Default, Lender shall have, in addition to other rights given by law or in this Agreement, the Loan

Agreement, or in any other Loan Document, all of the rights and remedies with respect to the Collateral of a secured party under the Code, including, without limitation, the following:

(a) Lender may notify licensees to make royalty payments on license agreements directly to Lender;

(b) Lender may sell, license, franchise or assign the Collateral at public or private sale for such amounts, and at such time or times, as Lender deems advisable. Any requirement of reasonable notice of any disposition of the Collateral shall be satisfied if such notice is sent to a Debtor 10 days prior to such disposition. The relevant Debtor shall be credited with the net proceeds of such sale only when they are actually received by Lender, and the relevant Debtor shall continue to be liable for any deficiency remaining after the Collateral is sold or collected. If the sale is to be a public sale, Lender shall also give notice of the time and place by publishing a notice one time at least 10 days before the date of the sale in a newspaper of general circulation in the county in which the sale is to be held; and

(c) To the maximum extent permitted by applicable law, Lender may be the purchaser of any or all of the Collateral at any public sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any public sale, to use and apply all or any part of the Obligations as a credit on account of the purchase price of any Collateral payable by the relevant Lender at such sale and the Obligations shall be deemed satisfied to the extent of such application.

10. **General Provisions.**

(a) Effectiveness of This Agreement. This Agreement shall be binding and deemed effective when executed by each Debtor and accepted and executed by Lender.

(b) Cumulative Remedies: No Prior Recourse to Collateral. The enumeration herein of Lender's rights and remedies is not intended to be exclusive, and such rights and remedies are in addition to and not by way of limitation of any other rights or remedies that Lender may have under the Loan Agreement, the Code or other applicable law. Lender shall have the right, in its sole discretion, to determine which rights and remedies are to be exercised and in which order. The exercise of one right or remedy shall not preclude the exercise of any others, all of which shall be cumulative.

(c) No Implied Waivers. No act, failure, or delay by Lender shall constitute a waiver of any of its rights and remedies. No single or partial waiver by Lender of any provision of this Agreement or any other Loan Document, or of a breach or default hereunder or thereunder, or of any right or remedy which Lender may have, shall operate as a waiver of any other provision, breach, default, right, or remedy or of the same provision, breach, default, right, or remedy on a future occasion. No waiver by Lender shall affect its rights to require strict performance of this Agreement.

(d) Severability. If any provision of this Agreement shall be prohibited, or invalid, under applicable law, such provision shall be ineffective only to such extent, without invalidating the remainder of this Agreement.

(e) Governing Law. This Agreement shall be deemed to have been made in the State of New York and shall be governed by and interpreted in accordance with the laws of such State, except that no doctrine of choice of law shall be used to apply the laws of any other state or jurisdiction.

(f) Consent to Jurisdiction and Venue; Service of Process. Debtors agree that, in addition to any other courts that may have jurisdiction under applicable laws or rules, any action or proceeding to enforce or arising out of this Agreement or any of the other Loan Documents to which they are a party may be commenced in the United States District Court for the Southern District of New York, consent and submit in advance to such jurisdiction, and agree that venue will be proper in such court on any such matter. Debtors hereby waive personal service of process and agree that a summons and complaint commencing an action or proceeding in any such courts shall be properly served and shall confer personal jurisdiction if served by registered or certified mail to Debtors, or as otherwise provided by the laws of the State of New York or the United States. The choice of forum set forth in this section shall not be deemed to preclude the enforcement of any judgment obtained in such forum, or the taking of any action under this Agreement to enforce the same, in any appropriate jurisdiction.

(g) Waiver of Jury Trial, Etc. EACH DEBTOR AND LENDER HEREBY WAIVES TRIAL BY JURY IN ANY LITIGATION IN ANY COURT WITH RESPECT TO, IN CONNECTION WITH, OR ARISING OUT OF, THIS AGREEMENT, THE OBLIGATIONS, OR THE COLLATERAL, OR ANY INSTRUMENT OR DOCUMENT DELIVERED PURSUANT HERETO. EACH DEBTOR AND LENDER CONFIRMS THAT THE FOREGOING WAIVERS ARE INFORMED AND FREELY MADE.

(h) Survival of Representations and Warranties. All of Debtors' representations and warranties contained in this Agreement shall survive the execution, delivery, and acceptance thereof by the parties, notwithstanding any investigation by Lender or its agents.

(i) Fees and Expenses. Debtors shall pay to Lender on demand all costs and expenses that Lender pays or incurs in connection with the enforcement and termination of this Agreement, including, without limitation: (i) reasonable outside attorneys' and paralegals' fees and disbursements of counsel to Lender (including, without limitation, the allocated fees and costs of Lender's in-house counsel and paralegals); (ii) costs and expenses (including, without limitation, reasonable attorneys' and paralegals' fees and disbursements including, without limitation, the allocated fees and costs of Lender's in-house counsel and paralegals)) for any amendment, supplement, waiver, consent, or subsequent closing in connection with this Agreement and the transactions contemplated hereby; (iii) costs and expenses of lien searches; (iv) taxes, fees, and other charges for filing this Agreement at the United States Patent and Trademark Office and the United States Copyright Office, or for filing financing statements, and continuations, and other actions to perfect, protect, and continue the security interest created hereunder; (v) sums paid or incurred to pay any amount or take any action required of Debtors under this Agreement that Debtors fail to pay or take; (vi) after the occurrence of an Event of Default, the costs and expenses of preserving and protecting the Collateral; and (vii) costs and expenses (including, without limitation, reasonable attorneys' and paralegals' fees and disbursements including, without limitation, the allocated fees and costs of Lender's in-house counsel and paralegals)) paid or incurred to enforce the security interest created hereunder, sell or

otherwise realize upon the Collateral, and otherwise enforce the provisions of this Agreement, or to defend any claims made or threatened against Lender arising out of the transactions contemplated hereby (including, without limitation, preparations for the consultations concerning any such matters). The foregoing shall not be construed to limit any other provisions of this Agreement regarding costs and expenses to be paid by Debtors. The parties agree that reasonable outside attorneys' and paralegals' fees and costs incurred in enforcing any judgment are recoverable as a separate item in addition to fees and costs incurred in obtaining the judgment and that the recovery of post-judgment reasonable attorneys' and paralegals' fees and costs is intended to survive any judgment and is not to be deemed merged into any judgment.

(j) Notices. Except as otherwise provided herein, all notices, demands and requests that either party is required or elects to give to the other shall be in writing and shall be governed by the provisions of Section 13.3 of the Loan Agreement.

(k) Binding Effect; Assignment. The provisions of this Agreement shall be binding upon and inure to the benefit of the respective representatives, successors and assigns of the parties hereto; provided, however, that no interest herein may be assigned by Debtors without the prior written consent of Lender. The rights and benefits of Lender hereunder shall, if Lender so agrees, inure to any party acquiring any interest in the Obligations or any part thereof.

(l) Modification. This Agreement is intended by Debtors and Lender to be the final, complete, and exclusive expression of the agreement between them respecting the subject matter hereof. This Agreement supersedes any and all prior oral or written agreements relating to the subject matter hereof. No modification, rescission, waiver, release, or amendment of any provision of this Agreement shall be made, except by a written agreement signed by Debtors and a duly authorized officer of Lender.

(m) Counterparts. This Agreement may be executed in any number of counterparts and by Lender and Debtors in separate counterparts, each of which shall be an original, but all of which shall together constitute one and the same agreement.

(n) Captions. The captions contained in this Agreement are for convenience only, are without substantive meaning, and should not be construed to modify, enlarge or restrict any provision.

(o) Termination By Lender. After termination of the Loan Agreement and when Lender has received payment and performance in full of all Obligations, Lender shall execute and deliver to Debtors a termination of all of the security interests granted by Debtors hereunder.

11. **Amendment and Restatement**. This Agreement represents a continuation of an existing obligation subject to the amendment and restatement of certain terms, as set forth herein. The Original IP Security Agreement is amended and restated and superseded in its entirety by this Agreement, but the obligations evidencing the Original IP Security Agreement shall not be discharged or impaired by the execution and delivery of this Agreement, and the execution and delivery of this Agreement is not intended to constitute a novation of the Original IP Security

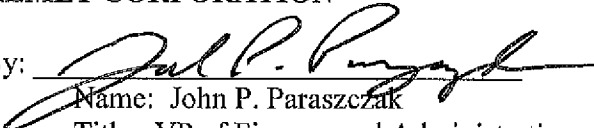

Agreement nor impair or modify the priority of any security document executed in connection therewith.
