**SECOND LIEN TRADEMARK SECURITY AGREEMENT**

This SECOND LIEN TRADEMARK SECURITY AGREEMENT (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Trademark Security Agreement") dated May 9, 2019, is made by the Persons listed on the signature pages hereof (collectively the "Grantors") in favor of CORTLAND CAPITAL MARKET SERVICES LLC, as administrative agent and collateral agent (in any such capacity, together with its successors in such capacity, the "Administrative Agent") for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Guarantee and Collateral Agreement referred to therein.

WHEREAS, ContextMedia Health, LLC, a Delaware limited liability company (together with its permitted successors and assigns, the "Borrower"), OH Acquisition Blocker, LLC, a Delaware limited liability company, as Holdings, OH Acquisition Blocker, LLC, a Delaware limited liability company as Intermediate Holdings, Administrative Agent, each Lender from time to time party thereto and each other party thereto have entered into the Second Lien Credit Agreement dated as of May 9, 2019 (the "Closing Date") (as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the "Credit Agreement").

WHEREAS, in connection with the Credit Agreement, the Grantors have entered into the Second Lien Guarantee and Collateral Agreement dated as of the Closing Date (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement").

WHEREAS, under the terms of the Guarantee and Collateral Agreement, the Grantors have granted to the Administrative Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

**SECTION 1. Grant of Security.** Each Grantor hereby grants to the Administrative Agent for the benefit of the Secured Parties a security interest in all of such Grantor's right, title and interest in and to the following (the "Collateral"): the registered Trademarks (as defined in the Guarantee and Collateral Agreement) and Trademarks for which applications are pending in the United States Patent and Trademark Office set forth in Schedule A hereto (excluding any Excluded Assets).

**SECTION 2. Security for Obligations.** The grant of a security interest in the Collateral by each Grantor under this Trademark Security Agreement secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this Trademark Security Agreement

secures, as to each Grantor, the payment of all amounts that constitute part of the secured Obligations and that would be owed by such Grantor to any Secured Party under the Loan Documents but for the fact that such secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. This Trademark Security Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner for Patents and the Commissioner for Trademarks record this Trademark Security Agreement.

SECTION 4. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Guarantee and Collateral Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Administrative Agent with respect to the Collateral are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 6. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

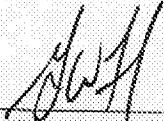

SECTION 7. Severability. In case any one or more of the provisions contained in this Trademark Guarantee and Collateral Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Guarantee and Collateral Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.
