TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), is dated as of May 15, 2019, and is by Revenue Management Solutions, LLC, a Delaware limited liability company ("Grantor"), in favor of Commerce Bank ("Lender").

RECITALS

A. Grantor and RMS Holdco II, LLC, a Delaware limited liability company (collectively, the "Borrowers"), and Lender have entered into an Amended and Restated Loan and Security Agreement dated as of November 8, 2018 (as amended, restated, supplemented or otherwise modified from time to time, the "Loan Agreement"), pursuant to which Lender has agreed to make loans to the Borrowers and issue letters of credit on behalf of the Borrowers.

B. Pursuant to the Loan Agreement, Grantor is required to execute and deliver to Lender this Agreement.

C. Pursuant to the terms of the Loan Agreement, Grantor has granted to Lender a security interest in substantially all the assets of Grantor, including all right, title and interest of Grantor in, to, and under all now owned and hereafter acquired trademarks, trademark applications and trademark licenses, and all products and proceeds thereof (other than any of the foregoing constituting Excluded Property), to secure the payment and performance of the Obligations.

AGREEMENT

In consideration of the mutual agreements set forth herein and in the Loan Agreement, Grantor does hereby grant to Lender, a continuing security interest and lien in all of Grantor's right, title and interest in, to, and under the following, whether presently existing or hereafter created or acquired (other than any of the following constituting Excluded Property) to secure the payment and performance of the Obligations:

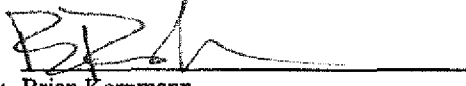

1. each trademark and trademark application, including, without limitation, each trademark and trademark application referred to in Schedule 1 attached hereto and incorporated herein, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
2. each trademark license, including, without limitation, each trademark license listed on Schedule 1, together with all goodwill associated therewith; and
3. all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1, any trademark issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under any trademark license listed on Schedule 1 (items 1 through 3 being herein collectively referred to as the "Trademark Collateral"). Notwithstanding the foregoing, any trademark applications filed in the United States Patent and Trademark Office ("PTO") on the basis of any Grantor's intent to use such trademark shall be excluded from Trademark Collateral, unless and until a statement of use or amendment to allege use is filed in the PTO, whereupon such trademark shall automatically be deemed included in the Trademark Collateral.

This security interest and lien is granted in conjunction with the security interests and liens granted to Lender pursuant to the Loan Agreement and subject to limitations set forth therein. Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the security interests and liens in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Loan Agreement. This Agreement is made under and shall be governed by the internal laws of the State of Missouri applicable to contracts made and to be performed entirely within such state, without regarding to conflict of laws principles thereunder.
