TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, effective as of May 2, 2019, is made by each of the entities listed on the signature pages hereof (each a “**Grantor**” and, collectively, the “**Grantors**”), in favor of PineBridge Structured Capital Partners II, L.P., a Delaware limited partnership (“**Pinebridge**”), as Collateral Agent (in such capacity, together with its successors and permitted assigns, the “**Collateral Agent**”) for the Purchasers.

WITNESSETH:

WHEREAS, Brand Networks Midco, LLC., a Delaware limited liability company (“**Midco**”), Brand Networks, LLC, a Delaware limited liability company (“**Brand**”, and together with Midco, each an “**Issuer**”, and collectively, the “**Issuers**”), the other Note Parties from time to time party thereto, the Purchasers from time to time party thereto, Pinebridge, as administrative agent for the Purchasers (in such capacity, together with its successors and permitted assigns in such capacity, the “**Administrative Agent**”) and the Collateral Agent, have entered into a Note Purchase Agreement, effective as of May 20, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Note Purchase Agreement**”);

WHEREAS, the Note Parties are party to a Security Agreement effective as of May 20, 2014 in favor of the Collateral Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement; and

WHEREAS, Brand has acquired several additional trademarks since May 20, 2014.

NOW, THEREFORE, in consideration of the premises and to induce the Purchasers and the Collateral Agent to enter into the Note Purchase Agreement and to induce the Purchasers to make their respective extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Collateral Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby pledges to the Collateral Agent, and hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in the following Collateral of such Grantor (the “**Trademark Collateral**”):

(a) all of its trademarks and service marks and all licenses providing for the grant by or to such Grantor of any right under any trademark or servicemark, including those referred to on Schedule 1 hereto;

(b) all renewals of the foregoing;

(c) all goodwill associated therewith; and

(d) all income, royalties, and proceeds at any time due or payable or asserted under and with respect to any of the foregoing, including all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding the foregoing, there shall be no security interest or Lien on any U.S. trademark application that is filed on an "intent-to-use" basis (until such time as a statement of use or amendment to allege use is filed with respect to such application and duly accepted by the United States Patent and Trademark Office) or any intellectual property if the grant of a Lien on or security interest in such intellectual property is prohibited by law or would result in the abandonment, impairment, cancellation or voiding of any right, title or interest in such intellectual property.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement conflicts with any provision of the Security Agreement, the Security Agreement shall govern.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their trademarks subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

Section 6. Governing Law. **THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REFERENCE TO CONFLICTS OF LAW PROVISIONS.**

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
