GRANT OF  
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (this “Agreement”), effective as of April 30, 2019, is made by Stratum Reservoir (US), LLC, a Delaware limited liability company (the “Grantor”), located at 700 Louisiana St. #2700, Houston, Texas 77002, in favor of JPMorgan Chase Bank, N.A., a national banking association, located at 10 S. Dearborn, 7th Floor, Chicago, IL 60603, as administrative agent for the lenders (the “Agent”) under that certain Credit Agreement, dated as of the date hereof (the “Credit Agreement”), among Stratum Reservoir Intermediate, LLC, a Delaware limited liability company (“Borrower”), Energy Reservoir Holdings, LLC, a Delaware limited liability company (“Holdings”), the Lenders, and the Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Advances and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Borrower, Holdings, and the Grantors (as defined in the Pledge and Security Agreement) have executed and delivered that certain Pledge and Security Agreement, dated as of the date hereof, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the “Pledge and Security Agreement”);

WHEREAS, pursuant to the Pledge and Security Agreement, the Grantor has pledged and granted to the Agent for the benefit of the Agent and the Lenders a continuing security interest in all Intellectual Property Collateral, including the Trademark Collateral; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Advances and other financial accommodations to the Borrowers pursuant to the Credit Agreement, the Grantor agrees, for the benefit of the Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Pledge and Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby pledges and grants a continuing security interest in, and a right of setoff against, and agrees to assign, transfer and convey, upon demand made upon the occurrence and during the continuance of an Event of Default without requiring further action by either party and to be effective upon such demand, all of the Grantor’s right, title and interest in, to and under the Trademark Collateral (including, without limitation, those items listed on Schedule A hereto), to the Agent for the benefit of the Agent and

the Lenders to secure payment, performance and observance of the Obligations. Notwithstanding the foregoing, no security interest shall be deemed granted hereunder on or in any "intent to use" application for trademark registration for which a Statement of Use or Amendment to Allege Use, as applicable, has not been filed and accepted.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Pledge and Security Agreement and is expressly subject to the terms and conditions thereof. The Pledge and Security Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor hereby further acknowledges and affirms that the rights and remedies of the Lenders with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Credit Agreement and the Pledge and Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Pledge and Security Agreement, the terms of the Pledge and Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers as of the day and year first above written.
