ASSIGNMENT OF TRADEMARK

WHEREAS, Nova Biomedical Corporation, 200 Prospect Street, Waltham, MA 22454 (Assignor) is the sole owner of the entire right, title and interest in and to the domestic and foreign trademarks and trademark applications described in Schedule A attached hereto and made a part hereof (collectively, the "Trademarks"); and

WHEREAS, Sanvita Medical, LLC, 165 Lexington Street, Suite 200, Billerica, MA 01821-3930 (Assignee) desires to acquire the entire right, title and interest in and to the Trademarks, together with the goodwill of the business symbolized by the Trademarks therefore.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby sell, assign and transfer Assignor's entire right, title and interest worldwide in and to the Trademarks including domestic and foreign priority rights arising from the foregoing Trademarks together with the goodwill of the business symbolized by the Trademarks, and including all claims, if any, which may have arisen for infringement of the Trademarks prior to the date of this Assignment, all of said rights to be held and enjoyed by the Assignee for its own use and for the use of its successors, assigns or other legal representatives, to the full end of the term for which the Trademarks have been or will be granted, extended or renewed, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment and sale had not been made.

The Assignor further agrees that it will, without demanding any further consideration therefor, at the request but at the expense of Assignee, do all lawful and just acts, including the execution and acknowledgement of instruments that may be or become necessary for obtaining, sustaining, or renewing the Trademarks, and for maintaining and perfecting Assignee's right to the Trademarks.

Assignor hereby agrees to cease and desist from using the Trademarks as and from the present date and confirms that all proprietary interest and rights pertaining to the same and the Registrations and/or Applications shall be property of the Assignee. Assignor agrees to execute and deliver, at the request of the Assignee, all papers, instruments, and assignments, and to perform all other reasonable acts Assignee may require in order to vest all Assignor's rights, title and interest in and to the Trademarks in Assignee and to provide evidence to support any of the foregoing to the extent such evidence is in possession or control of Assignor. In addition, Assignee is granted the right to sue for infringement of the Trademarks with respect to the Trademarks anywhere in the world and is granted the right to recover damages for any past infringement of the Trademarks and to recover and retain any monies paid if received as a result of such infringement.

The undersigned hereby authorize the firm of Mesmer & Deleault, PLLC, 41 Brook Street, Manchester, NH 03104, to correct clerical errors in this Assignment or to insert any further identification or other information necessary or desirable to make this Assignment suitable for recording in a domestic or foreign Trademark Office.
