GRANT OF SECURITY INTEREST IN TRADEMARKS AND PATENTS

WHEREAS, TY INC., a Delaware corporation (“**Grantor**”), owns the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith, and the patents and patent applications, in each case set forth on Schedule A and Schedule B attached hereto; and

WHEREAS, FIFTH THIRD BANK, an Ohio Banking Corporation (the “**Grantee**”), desires to acquire a security interest in, and lien on, all of Grantor’s right, title and interest in and to Grantor’s trademarks, trademark registrations, trademark applications and any and all goodwill associated therewith and patents and patent applications; and

WHEREAS, the Grantor is willing to grant to the Grantee a security interest in and lien upon the trademarks, trademark registrations, trademark applications and any and all goodwill associated therewith and patents and patent applications set forth on Schedule A attached hereto.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and subject to the terms and conditions of the Loan and Security Agreement, dated as of June 7, 2019, by and between the Grantor, Ty Canada LLC, a Delaware limited liability company, Ty Trade LLC, a Delaware limited liability company, and the Grantee (as amended from time to time, the “**Loan Agreement**”), the Grantor hereby grants to the Grantee a security interest in, and a lien upon, all of Grantor’s right, title and interest in and to (i) the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith (the “**Marks**”) set forth on Schedule A attached hereto, (ii) the patents and patent applications (the “**Patents**”) set forth on Schedule B attached hereto, in each case together with (iii) all proceeds of the Marks, (iv) all of the goodwill of the businesses with which the Marks are associated, and (v) all causes of action, past, present and future, for infringement, misappropriation, or dilution of any of the Marks and/or Patents or unfair competition regarding the same.

This GRANT OF SECURITY INTEREST is made to secure the satisfactory performance and payment of all the Obligations (as such term is defined in the Loan Agreement) of the Grantor and shall be effective as of the date of the Loan Agreement.

This Grant of Security Interest has been granted in conjunction with the security interest granted to Grantee under the Loan Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Loan Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant of Security Interest are deemed to conflict with the Loan Agreement, the provisions of the Loan Agreement shall govern.

This Grant of Security Interest shall be delivered and accepted in and shall be deemed to be a contract made under and governed by the internal laws of the State of Illinois (but giving effect to federal laws applicable to national banks) applicable to contracts made and to be performed entirely within such state, without regard to conflict of laws principles.
