3. Security Interest.

3.1 Borrower, to secure payment and performance of all Obligations of Borrower to Lender, hereby reaffirms its grant to Lender of a security interest in, all of Borrower's right, title and interest in and to all of the Collateral, and such security interest shall be deemed to include the right (but not the obligation) to sue or recover in the name of Borrower for all damages or profits arising out of past infringement and/or infringement that may arise during the period that this Agreement shall be in force between the parties, on any of the Collateral, or for injury to said goodwill, or acts of unfair competition either under Federal or State Law. The security interest granted herein shall remain in full force and effect until all of the Obligations of Borrower to Lender are fully paid and satisfied.

3.2 The security interest granted pursuant to this Agreement shall create a continuing security interest in the Collateral which shall (a) remain in full force and effect until payment in full in cash or in another manner acceptable to Lender and termination of the Obligations of Borrower to Lender, (b) be binding upon and inure to the benefit of, and be enforceable by, Borrower, its

successors and assigns, and (c) be binding upon and inure to the benefit of, and be enforceable by, Lender and its successors, transferees and assigns.

3.3 Upon the payment in full in cash or in another manner acceptable to Lender and termination of the Obligations of Borrower to Lender then outstanding, this Agreement shall terminate and all rights granted as security in the Collateral to Lender shall revert to Borrower. Upon any such termination, Lender will, at Borrower's expense, execute and deliver to Borrower such documents as Borrower shall reasonably request to evidence such termination.

4. Representations, Warranties and Covenants of Borrower. Borrower hereby represents, warrants, covenants and agrees as follows:

4.1 Title to the Trademarks. Borrower has sole, exclusive, full, clear and unencumbered right, title and interest in and to the Trademarks and the registrations of the Trademarks are valid and subsisting and in full force and effect. The Trademarks have not been abandoned, suspended, voluntarily terminated or cancelled by Borrower and, to the best of Borrower's knowledge, have not been adjudged invalid or unenforceable.

4.2 Use of the Trademarks. Except to the extent that (a) Lender, upon prior written notice by Borrower, shall consent, or (b) Borrower determines in its reasonable business judgment that a Trademark of Borrower has negligible economic value and such Trademark is no longer utilized in the ordinary course of Borrower's business, Borrower (either itself or through licensees) has used and will continue to use the Trademarks on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain the Trademarks in full force free from any claim of abandonment for non-use and Borrower will not (and will not permit any licensee thereof to) do any act or knowingly omit to do any act whereby any of the Trademarks may become invalidated, abandoned, unenforceable, avoided, avoidable or otherwise diminished in value, and shall notify Lender immediately if it knows of any reason or has reason to know of any ground under which any of the foregoing may occur.

4.3 License or Assignment of Trademarks. Borrower shall not license or assign any of the Trademarks to any party without the prior written consent of Lender.

4.4 Existing Patents. Borrower, as of the date hereof, owns no patents or patent applications, nor is Borrower a party to any license agreement granting any right to use or practice any invention on which a patent is in existence. In the event any patent is developed or otherwise acquired by Borrower, Borrower shall grant to Lender a security interest in all of Borrower's right, title and interest in and to the patents, pursuant to a security agreement in form and substance similar to this Agreement and will execute any agreements, instruments, documents and papers as Lender may reasonably request to evidence Lender's interest in such patent and the goodwill and general intangibles of Borrower relating thereto or represented thereby.

4.5 Further Assurances. Borrower will perform all acts and execute all further instruments and documents, including, without limitation, assignments for security in form suitable for filing with the United States Patent and Trademark Office, reasonably requested by Lender at any time to evidence, perfect, maintain, record and enforce Lender's interest in the Collateral or otherwise in furtherance of the provisions of this Agreement, and Borrower hereby authorizes Lender to execute and file (with or without the signature of Borrower) one or more financing statements (and similar documents) or copies thereof or this Agreement with respect to the Collateral signed only by Lender.

4.6 Costs and Expenses. Borrower shall pay on demand all reasonable and necessary expenses and expenditures of Lender, including, without limitation, reasonable attorney's fees and expenses, incurred or paid by Lender in protecting, enforcing or exercising its interests, rights or remedies created by, connected with or provided in this Agreement, or performance pursuant to this Agreement.

4.7 Pledge of Additional Patents and Trademarks. In the event Borrower, either itself or through any agent, employee, licensee or designee shall:

- (1) file an application for the registration of any patent or Trademark with the United States Patent and Trademark Office or any similar office or agency of the United States, any State thereof, or any other country or any political subdivision thereof; or
- (2) file any assignment of any patent or Trademark which Borrower may acquire, own or license from a third party, with the United States Patent and Trademark Office or any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof;

Borrower shall promptly, but in no event more than thirty (30) days subsequent to such filing, notify Lender thereof, and, upon request of Lender shall promptly, but in no event more than twenty (20) days subsequent to such request, execute and deliver any and all agreements, instruments, documents and papers as Lender may reasonably request to evidence Lender's security interest in such patent or Trademark and the good will and general intangibles of Borrower relating thereto or represented thereby. Borrower hereby grants Lender a power of attorney, irrevocable until the Obligations of Borrower to Lender are fully paid and satisfied, to modify this Agreement so as to expressly include any future Trademarks or Licenses, including, without limitation, registrations or applications appurtenant thereto.

4.8 Borrower's Authority, Etc. Borrower has the right and power to mortgage and pledge the Collateral, and to grant the security interest in the Collateral herein granted; and the Collateral is not now, and at all times hereafter will not be subject to any liens, licenses, pledges, assignments, registered license agreements, covenants not to use by Borrower or other encumbrance of any nature whatsoever, and Borrower has not received any notice from any third party claiming

any right or interest in and to any of the Collateral or that Borrower's use thereof infringes the rights of any third party.

4.9 Negative Pledge. Borrower will not, without the prior written consent of Lender, assign (by operation of law or otherwise), sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest or lien upon, grant an exclusive or non-exclusive license upon, or otherwise encumber, grant rights to any other person upon or dispose of any of the Collateral, and nothing in this Agreement shall be deemed a consent by Lender to any such action except as expressly permitted herein. Borrower shall defend the Collateral against and shall take such other action as is necessary to remove any lien, security interest, claim, right or other encumbrance of any nature whatsoever in or to the Collateral, and will defend the right, title and interest of Lender in and to any of Borrower's rights under the Collateral against the claims or demands of all persons whomsoever.

4.10 No Additional Trademarks. As of the date hereof, Borrower does not own any Trademarks, or have any Trademarks registered in or the subject of pending applications in the United States Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, other than those grants, registrations or applications for registrations listed on Schedule A annexed to the 2007 Trademark Security Agreement.

4.11 Additional Further Assurances. Borrower will take all necessary steps in any proceeding before the United States Patent and Trademark Office or any similar office or agency in any other country, or any political subdivision thereof (i) to maintain each registration and grant of the Trademarks and Licenses, and (ii) in accordance with its reasonable business judgment and at its expense, to halt any infringement of the Trademarks and shall properly exercise its duty to control the nature and quality of the goods offered by any licensees in connection with the Licenses.

4.12 Responsibility and Liability. Borrower assumes all responsibility and liability arising from the use of the Trademarks and Licenses, and hereby indemnifies and holds Lender and each director, officer, employee, affiliate and agent thereof, harmless from and against any claim, suit, loss, damage or expense (including attorneys' fees and expenses) arising out of any alleged defect in any product manufactured, promoted or sold by Borrower in connection with any of the Trademarks or otherwise arising out of Borrower's operation of its business from the use of the Trademarks. In any suit, proceeding or action brought by Lender under any License for any sum owing thereunder, or to enforce any provisions of such License, Borrower will indemnify and keep Lender harmless from and against all expense, loss or damage suffered by reason of any defense, set off, recoupment, claim, counterclaim, reduction or liability whatsoever of the obligee thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such obligee or its successors from Borrower, and all such obligations of Borrower shall be and remain enforceable against and only against Borrower and shall not be enforceable against Lender.

4.13 Lender's Rights. Lender may, in its sole discretion, pay any amount or do any act required of Borrower hereunder or requested by Lender to preserve, defend, protect, maintain, record or enforce Borrower's obligations contained herein, the Obligations of Borrower to Lender, the

Collateral, or the right, title and interest granted Lender herein, and which Borrower fails to do or pay, and any such payment shall be deemed an advance by Lender to Borrower and shall be payable on demand together with interest thereon at the default rate as specified in the Loan Agreement.

4.14 Protection of the Trademarks. Borrower agrees that if it learns of any use by any person of any term or design likely to cause confusion with any Trademark, or of any claim of any lien, security interest, claim, right or other encumbrance of any nature whatsoever in or to the Collateral, Borrower shall promptly notify Lender of such use, lien, security interest, claim, right or other encumbrance and, if requested by Lender, shall join with Lender, at Borrower's expense, in such action as Lender, in its reasonable discretion, may deem advisable for the protection of Lender's interest in and to the Trademarks, it being understood that the foregoing shall not preclude Borrower from bringing an action against a person for the protection of Borrower's interest in and to such Trademarks.

5. Lender's Appointment as Attorney-in-Fact.

5.1 Borrower hereby irrevocably constitutes and appoints Lender, and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with irrevocable power and authority in the place and stead of Borrower and in the name of Borrower or its own name, from time to time in Lender's discretion, for the purposes of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement and, without limiting the generality of the foregoing, hereby gives Lender the power and right, on behalf of Borrower, to do the following:

- (a) to pay or discharge taxes, liens, security interests or other encumbrances levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Agreement or the Loan Agreement and to pay all or any part of the premiums therefor and the costs thereof;
- (b) upon the occurrence of an Event of Default:
  - (1) to ask, demand, collect, receive and give acquittances and receipts for any and all moneys due and to become due under any Licenses and, in the name of Borrower or in its own name or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any License and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Lender for the purpose of collecting any and all such moneys due under any License whatsoever;

- (2) to direct any party liable for any payment under any of the Licenses to make payment of any and all moneys due and to become due thereunder directly to Lender or as Lender shall direct;
- (3) to receive payment of and receipt for any and all moneys, claims and other amounts due and to become due at any time in respect of or arising out of any Collateral;
- (4) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction, to collect the Collateral or any part thereof and to enforce any other right in respect of any Collateral;
- (5) to defend any suit, action or proceeding brought against Borrower with respect to any Collateral;
- (6) to settle, compromise, or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as Lender may deem appropriate;
- (7) generally, to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Lender were the absolute owner thereof for all purposes, and to do, at Lender's option, all acts and things which Lender deems necessary to protect, preserve or realize upon the Collateral and Lender's security interest therein, in order to effect the intent of this Agreement, all as fully and effectively as Borrower might do.

5.2 This power of attorney is a power coupled with an interest and shall be irrevocable. Notwithstanding the foregoing, Borrower further agrees to execute any additional documents which Lender may require in order to confirm this power of attorney, or which Lender may deem necessary to enforce any of its rights contained in this Agreement.

5.3 The powers conferred on Lender hereunder are solely to protect Lender's interests in the Collateral and shall not impose any duty upon Lender to exercise any such powers. Lender shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and neither Lender nor any of its officers, directors, employees or agents shall be responsible to Borrower for any act or failure to act, except for Lender's own gross negligence or willful misconduct.

5.4 Borrower also authorizes Lender to execute, in connection with any sale provided for in this Agreement, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

6. **Events of Default.** The occurrence of any one or more of the following shall constitute an Event of Default under this Agreement:

6.1 the occurrence of any Default or Event of Default under the Loan Agreement;

6.2 a breach by Borrower of any covenant contained in this Agreement;

6.3 if any warranty or representation contained in this Agreement, including, without limitation, the warranties and representations contained in Section 3 of this Agreement, shall be incorrect in any material respect.

7. **Remedies.** Upon the occurrence of an Event of Default, in addition to all other rights and remedies of Lender, whether under law, in equity or otherwise (all such rights and remedies being cumulative, not exclusive and enforceable alternatively, successively or concurrently):

7.1 Lender shall have all of the rights and remedies set forth in the Loan Agreement.

7.2 Immediately upon Lender's written request, Borrower shall not make any further use of the Trademarks or any mark similar thereto for any purposes.

7.3 Lender may, at any time and from time to time, license, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any of the Trademarks, throughout the world for such term or terms, on such conditions, and in such manner, as Lender shall in its sole discretion determine.

7.4 Lender may (without assuming any obligations or liability thereunder), at any time, enforce (and shall have the exclusive right to enforce) against any licensee or sublicensee all rights and remedies of Borrower in, to and under any one or more license agreements with respect to the Collateral, including, without limitation the Licenses, and take or refrain from taking any action under any license or sublicensee thereof, and Borrower hereby releases Lender from, and agrees to hold Lender free and harmless from and against, any claims arising out of any action taken or omitted to be taken with respect to any such license agreements.

7.5 Lender may foreclose upon the Collateral for the purpose of using, assigning, selling or otherwise disposing of the Collateral or any of it, either with or without special or other conditions or stipulations, and record any documents with the United States Patent and Trademark Office necessary to evidence Lender's ownership in the Collateral.

7.6 Lender may appear before the United States Patent and Trademark Office as owner of the Collateral, without recording or filing any documents to evidence Lender's ownership in the Collateral.

7.7 Whether or not Lender forecloses upon the Collateral in accordance with this Agreement, Lender may, at any time and from time to time, assign, sell, or otherwise dispose of, the Collateral or any of it either with or without special or other conditions or stipulations, with power to buy the Collateral or any part of it, and with power also to execute assurances, and do all other acts and things for completing the assignment, sale or disposition which Lender shall, in its sole discretion, deems appropriate or proper.

7.8 In addition to the foregoing, in order to implement the assignment, sale or other disposal of any of the Collateral, Lender may, at any time, pursuant to the authority granted in the Power of Attorney in the form of **Schedule A** annexed hereto and made a part hereof (such authority being effective on the occurrence of an Event of Default), execute and deliver on behalf of Borrower, one or more instruments of assignment of the Trademarks (or any application or registration thereof), in form suitable for filing, recording or registration in any country. Borrower agrees to pay when due all reasonable costs and expenses incurred in any such transfer of the Trademarks, including any taxes, fees and reasonable attorneys' fees, and all such costs shall be added to the Obligations of Borrower to Lender. Lender may apply the proceeds actually received from any such license, assignment, sale or other disposition to the payment of the Obligations of Borrower to Lender as provided for in the Loan Agreement. Borrower shall remain liable for any deficiency with respect to the Obligations of Borrower to Lender, which shall bear interest and be payable at the Default Rate under the Loan Agreement. The rights of Borrower to receive any surplus shall be subject to any duty of Lender imposed by law to the holder of any subordinate security interest in the Collateral known to Lender. Nothing contained herein shall be construed as requiring Lender to take any such action at any time.

8. **Execution of Special Power of Attorney.** Concurrently with the execution and delivery of this Agreement, Borrower is executing and delivering to Lender a certain Power of Attorney, in the form of **Schedule A** annexed hereto and made a part hereof, for the implementation of the sale, assignment, licensing or other disposition of the Collateral pursuant to this Agreement.

9. **Amendments and Modification.** No provision hereof shall be modified, altered, waived or limited except by a written instrument expressly referring to this Agreement and executed by the party to be charged.

10. **Binding Nature.** This Agreement shall be binding upon and inure to the benefit of the successors, assigns or other legal representatives of Borrower, and shall, together with the rights and remedies of Lender hereunder, be binding upon and inure to the benefit of Lender, successors, assigns or other legal representatives.

11. **GOVERNING LAW.** THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICT OF LAW PRINCIPLES THEREOF.

12. Notices. All notices, requests, demands and other communications provide for hereunder shall be in writing (unless otherwise expressly provided herein) and shall be sent and deemed to have been received as set forth in the Loan Agreement.

13. Counterparts. This Agreement may be executed in counterparts, each of which, when taken together, shall be deemed one and the same instrument.

14. Headings. Section headings herein are included for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

15. Acknowledgment of Receipt. Borrower acknowledges receipt of a copy of this Agreement.

16. No Waiver. No course of dealing between Borrower and Lender, and no delay or omission of Lender in exercising or enforcing any of Lender's rights and remedies hereunder shall constitute a waiver thereof; and no waiver by Lender of any Event of Default shall operate as a waiver of any other Event of Default.

17. Severability. If any of the provisions of this Agreement shall contravene or be held invalid under the laws of any jurisdiction, this Agreement shall be construed as if not containing such provisions and the rights, remedies, warranties, representations, covenants, and provisions hereof shall be construed and enforced accordingly in such jurisdiction and shall not in any manner affect such provision in any other jurisdiction, or any other provisions of this Agreement in any jurisdiction.

18. Interest Granted to Lender. Notwithstanding any provision of this Agreement to the contrary, the interest granted to Lender under this Agreement is intended to be a pledge and a security interest only, and the execution of this Agreement is not intended to create an assignment or a transfer of title or any other property rights to the Trademarks.

19. WAIVER OF JURY TRIAL. BORROWER AGREES (AND BY ITS ACCEPTANCE OF THIS AGREEMENT, LENDER ALSO AGREES) THAT ANY SUIT, ACTION OR PROCEEDING, WHETHER CLAIM OR COUNTERCLAIM, BROUGHT BY LENDER OR BORROWER ON OR WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE DEALINGS OF THE PARTIES WITH RESPECT HERETO OR THERETO, SHALL BE TRIED ONLY BY A COURT AND NOT BY A JURY. BORROWER HEREBY KNOWINGLY, VOLUNTARILY, INTENTIONALLY AND INTELLIGENTLY, AND WITH THE ADVICE OF BORROWER'S COUNSEL, WAIVES (AND BY ITS ACCEPTANCE OF THIS AGREEMENT, LENDER ALSO WAIVES), TO THE EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT TO A TRIAL BY JURY IN ANY SUCH SUIT, ACTION OR PROCEEDING. FURTHER, BORROWER WAIVES ANY RIGHT BORROWER MAY HAVE TO CLAIM OR RECOVER, IN ANY SUCH SUIT, ACTION OR PROCEEDING, ANY SPECIAL, EXEMPLARY, PUNITIVE, CONSEQUENTIAL OR OTHER DAMAGES OTHER THAN, OR IN ADDITION TO,

**ACTUAL DAMAGES. BORROWER ACKNOWLEDGES AND AGREES THAT THIS SECTION IS A SPECIFIC AND MATERIAL ASPECT OF THIS AGREEMENT AND THAT LENDER WOULD NOT EXTEND CREDIT TO BORROWER IF THE WAIVERS SET FORTH IN THIS SECTION WERE NOT A PART OF THIS AGREEMENT.**
