ASSIGNMENT

This Assignment is entered into as of date provided below, by Astro Technology, Inc., a Delaware corporation ("ASSIGNOR"), in favor of PricewaterhouseCoopers LLP, a Delaware Limited Liability Partnership ("ASSIGNEE"), with reference to the following facts and circumstances:

WHEREAS, Assignor owns all right, title and interest in and to the ASTRO trademark, together with all applications and registrations therefor, including, without limitation, U.S. Reg. No. 5,541,518 (the "MARK");

WHEREAS, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor has agreed to assign to Assignee all of Assignor's right, title and interest in and to the MARK.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby is acknowledged, ASSIGNOR does hereby sell, assign, transfer and convey unto ASSIGNEE, for ASSIGNEE's own, and of its successors, assigns, and other legal representatives, use and enjoyment forever as fully and entirely as the same would have been held and enjoyed by ASSIGNOR if this assignment had not been made, ASSIGNOR's entire right, title and interest in and to the MARK worldwide in perpetuity, together with the goodwill associated with the MARK, all applications or registrations for the MARK, and any renewals, reissues, and extensions thereof in the United States and any and all foreign jurisdictions, and any and all of ASSIGNOR's other rights, privileges, and priorities provided under state and federal law of the United States and the laws of any and all foreign jurisdictions with respect to the MARK, as applicable, including, without limitation, all common law rights and rights under the laws of unfair competition, any and all rights to all income, royalties, damages, and payments now or hereafter due or payable in respect thereto, and the right to register, renew, protect and defend the MARK and to sue, counterclaim, and recover for past, present, and future infringements of the MARK, or other unauthorized use of the rights known to ASSIGNOR as of, or that may become known after, the date hereof.

ASSIGNOR hereby represents and warrants that ASSIGNOR has the full right to convey the interest assigned by this assignment, and has not conveyed any interest in or right to the MARK to any third party.

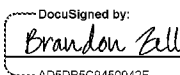

ASSIGNOR authorizes and requests the U.S. Patent and Trademark Office, or any foreign equivalent, as applicable, to record ASSIGNEE as the owner of the entire right, title, and interest in and to the MARK.

ASSIGNOR hereby agrees to execute any and all papers, and to perform such other acts, as may be reasonably necessary to secure to ASSIGNEE, or to its successors or assigns, the rights hereby transferred.

This assignment shall be effective as of the date this Assignment is signed. This assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, ASSIGNOR has caused this Assignment to be duly executed by an authorized officer as of the date set forth below.

ASTRO TECHNOLOGY, INC.
