INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement is entered into as of May 24, 2019 by and among **TILE, INC.**, a Delaware corporation ("**Parent**"), Tile Network Canada ULC, a Canadian unlimited liability corporation ("**Tile Canada**"), Tile Europe Ltd., a company of England and Wales limited by shares ("**Tile UK**" and together with Parent and Tile Canada, the "**Grantors**" and each, a "**Grantor**") in favor of **PINNACLE VENTURES, L.L.C.** ("**Secured Party**") as agent for the lenders ("**Lenders**") identified on Schedule 1 to the Loan Agreement (as defined below).

RECITALS

A. Lenders have made or will make certain advances of money and extend certain financial accommodations to the Grantors (the "**Loans**") in the amounts and manner set forth in that certain Loan and Security Agreement by and among the Grantors, Secured Party and Lenders dated as of [___], 2019 (as the same may be amended, restated, modified or supplemented from time to time, the "**Loan Agreement**"; capitalized terms used but not otherwise defined herein have the definitions assigned to such terms in the Loan Agreement). Under the Loan Agreement, the Grantors have granted to Secured Party a security interest in certain copyrights, trademarks, patents, and mask works to secure the obligations of the Grantors under the Loan Agreement.

B. Pursuant to the terms of the Loan Agreement, the Grantors have granted to Secured Party a security interest in all of each Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Loan Agreement, each Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure its obligations under the Loan Agreement, each Grantor grants and pledges to Secured Party a security interest in all of such Grantor's right, title and interest in, to and under its Intellectual Property (including without limitation those copyrights, patents, trademarks and mask works listed on Schedules A, B, C, and D hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Secured Party under the Loan Agreement. The rights and remedies of Secured Party with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement and the other Transaction Documents, and those which are now or hereafter available to Secured Party as a matter of law or equity. Each right, power and remedy of Secured Party provided for herein or in the Loan Agreement or any of the Transaction Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Secured Party of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Loan Agreement or any of the other Transaction Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Secured Party, of any or all other rights, powers or remedies.

(signature page follows)

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
