TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement, dated as of June 24, 2019 (this “**Trademark Security Agreement**”), by PACTERA TECHNOLOGY INTERNATIONAL LTD. (the “**Grantor**”), in favor of MADISON PACIFIC TRUST LIMITED, in its capacity as Security Agent pursuant to the Security Agreement (as defined below) (in such capacity, the “**Security Agent**”).

WITNESSETH:

WHEREAS, the Grantor is party to a Security Agreement, dated as of June 24, 2019 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), in favor of the Security Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Security Agent, for the benefit of the Secured Parties, to enter into the Security Agreement and the Finance Documents (as defined in the Security Agreement), the Grantor hereby agrees with the Security Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein and not otherwise defined herein have the meanings specified in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor hereby pledges and grants to the Security Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under the following Collateral (excluding any Excluded Assets) of the Grantor: all registered Trademarks of such Grantor listed on Schedule I attached hereto and the goodwill associated therewith (collectively, the “**Trademark Collateral**”).

Section 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Security Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Security Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Security Agent shall otherwise determine. The parties agree that this Trademark Security Agreement may be recorded with the USPTO to publicly designate the rights and interests of the Security Agent and the Secured Parties herein and the Secured Parties herein and the Grantor authorizes the Security Agent and the Secured Parties to record this Trademark Security Agreement with the USPTO.

Section 4. Termination. Upon the termination of the Security Agreement in accordance with Section 6.11 thereof, the Security Agent shall, at the Grantor’s expense, execute, acknowledge and deliver to the Grantor an instrument in writing in recordable form releasing the lien on and security interest in the Trademark Collateral under this Trademark Security Agreement which the Grantor may record with the USPTO.

Section 5. Cayman Islands Registration. The Grantor shall, immediately after execution of this Agreement, instruct its registered office provider to enter particulars as required by the Companies Law (as amended) of the Cayman Islands (the "**Cayman Law**") of the security interests created pursuant to this Trademark Security Agreement in the register of mortgages and charges ("**Register of Mortgages and Charges**") maintained by it in accordance with section 54 of the Cayman Law and immediately after entry of such particulars has been made, and in any event within five Business Days after the date of this Trademark Security Agreement, provide the Security Agent with a certified true copy of the updated Register of Mortgages and Charges.

Section 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.
