SECOND LIEN TRADEMARK SECURITY AGREEMENT

This SECOND LIEN TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of June 26, 2019 is entered into between MONEYGRAM PAYMENT SYSTEMS, INC., a Delaware corporation (the "Grantor"), and BANK OF AMERICA, N.A., as Collateral Agent for the benefit of the Secured Parties (the "Collateral Agent").

WITNESSETH:

WHEREAS, Grantor has entered into that certain Second Lien Credit Agreement dated as of June 26, 2019 with MoneyGram International, Inc., a Delaware corporation (the "Borrower"), MoneyGram Payment Systems Worldwide, Inc., a Delaware corporation ("MPSW"), MoneyGram International Payment Systems, Inc., a Delaware corporation ("MIPS"), Bank of America, N.A., as administrative agent, the Collateral Agent and the Lenders from time to time party thereto (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement");

WHEREAS, Grantor has entered into that certain Second Lien Security Agreement dated as of June 26, 2019 (as amended, restated, amended and restated, modified or supplemented from time to time, the "Security Agreement") with the Borrower, MPSW, MIPS and the Collateral Agent, for the benefit of the Secured Parties, pursuant to which Grantor has granted to the Collateral Agent a security interest in substantially all the assets of Grantor, including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks, together with the goodwill of the business symbolized by Grantor's Trademarks, and all proceeds thereof, to secure the payment of the Secured Obligations;

WHEREAS, capitalized terms used but not defined herein are used in the manner provided in the Security Agreement and the Credit Agreement, as applicable;

WHEREAS, Grantor owns the registered and pending Trademarks listed on Schedule 1 annexed hereto; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

- (1) each Trademark, including without limitation, each registered and pending Trademark referred to in Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

- (2) all proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement of any Trademark, including, without limitation, any registered and pending Trademark referred to in Schedule 1 annexed hereto, or (b) injury to the goodwill associated with any Trademark.

The security interests are granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

The Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable governmental officer located in the United States record this Agreement.

This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

The Grantor hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in the foregoing paragraph. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by telecopy (or other electronic means) shall be effective as delivery of a manually executed counterpart of this Agreement.
