TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is by and between Concentric Medical, Inc., a corporation formed in accordance with the laws of Delaware and having an address of 47900 Bayside Parkway, Fremont, CA 94538 (the "Assignor/Holder"), and Stryker Corporation, a corporation formed in accordance with the laws of Michigan, and having an address of 2825 Airview Boulevard, Kalamazoo, MI 49002 (the "Assignee/Transferee").

WHEREAS, Assignor/Holder is the owner of all right, title and interest in and to the trademarks and the corresponding registrations set forth in Part I of Schedule 1 hereto and applications for registration set forth in Part II of Schedule 1 hereto (collectively, the "Trademarks"), together with the goodwill of the business connected with and symbolized by the Trademarks; and

WHEREAS, Assignee/Transferee desires to acquire all right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

Assignor/Holder hereby sells, assigns, transfers and conveys to Assignee/Transferee the entire right, title, interest in and to the Trademarks, including the right to assert and collect damages for any past infringement, in the United States and all jurisdictions other than the United States, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee/Transferee as fully and entirely as said interest could have been held and enjoyed by the Assignor/Holder had this sale, assignment, transfer and conveyance not been made.

Assignor/Holder authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions other than the United States to record the transfer of the registrations and/or applications for registration set forth on Schedule 1 to Assignee/Transferee as assignee of Assignor/Holder's entire right, title and interest therein. Assignor/Holder agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee/Transferee's ownership of the Trademarks.

This Trademark Assignment Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by electronic or facsimile transmission, which transmission shall be deemed delivery of an originally executed document.
