## TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of June 4, 2019, by the Grantors listed on the signature pages hereof being OAG Aviation Worldwide Limited (a company incorporated in England and Wales with registered number 08434134) and OAG Aviation Worldwide LLC (a Delaware limited liability company with organizational identification number 3414056) (collectively, jointly and severally, “**Grantors**” and each individually “**Grantor**”), in favor of **U.S. BANK TRUSTEES LIMITED**, in its capacity as security agent for the benefit of the Beneficiaries (as defined in the Security Agreement (as hereinafter defined)), as secured party (in such capacity and together with any successors in such capacity, the “**Security Agent**”).

### RECITALS

The Parent, the Company, the Original Borrower, the Original Guarantors, the Security Agent, each of the Senior Finance Parties and others have entered into that certain Senior Facilities Agreement dated May 29, 2019 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Facilities Agreement**”).

Each Grantor has, pursuant to the Facilities Agreement, irrevocably and unconditionally guaranteed the payment and performance of the Secured Sums (as defined in the Security Agreement).

It is a condition to (i) the obligations of the Lenders and the Issuing Bank to make loans and issue letters of credit, respectively, under the Facilities Agreement, and (ii) the performance of the obligations of the Hedge Counterparties under the Hedging Agreements that each Grantor execute and deliver the Finance Documents, including that certain Security Agreement, dated June 4, 2019 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among the Grantors, the other Grantors named therein from time to time, and the Security Agent.

Pursuant to the Security Agreement, the Grantors are required to execute and deliver to the Security Agent, for itself and for the Beneficiaries, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors hereby agree as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in (or incorporated by reference in) the Security Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. To secure the payment and performance in full of all the Secured Sums, whether now existing or arising hereafter, each of the Grantors hereby grants to the Security Agent, on behalf of itself and the Beneficiaries, a continuing security interest in and Lien on all right, title and interest of such Grantor in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “**Trademark Collateral**”):

(a) all of the Trademarks and Intellectual Property Licenses of Trademarks to which it is a party, including, but not limited to, those expressly listed on Schedule I attached hereto. For the avoidance of doubt, intent-to-use trademark applications are excluded from the definition of “**Trademarks**” as used herein;

(b) all renewals of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, the foregoing; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of the foregoing or (ii) injury to the goodwill associated with the foregoing.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Security Agent, on behalf of itself and the Beneficiaries, pursuant to the Security Agreement. The Grantors hereby acknowledge and affirm that the rights and remedies of the Security Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

4. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors hereby authorize the Security Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of each Grantor; provided, however that the Security Agent shall provide Grantors with written notice of any such amendment. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Security Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

5. COUNTERPARTS. This Trademark Security Agreement may be executed in counterparts and by different Parties on different counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. Delivery of an executed signature page to this Trademark Security Agreement by facsimile or electronic mail transmission shall be as effective as delivery of a manually signed counterpart of this Trademark Security Agreement.

6. EFFECTIVENESS. This Trademark Security Agreement shall become effective as to each Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Security Agent and a counterpart hereof shall have been executed on behalf of the Security Agent. This Trademark Security Agreement shall remain in full force and effect, subject to release and/or termination as set forth herein or in the other Finance Documents.

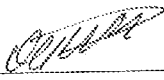

7. GOVERNING LAW. This Trademark Security Agreement shall be governed by the laws of the State of New York.

8. CONSTRUCTION This Trademark Security Agreement is a Finance Document.

[signature page follows]

IN WITNESS WHEREOF, each of the Grantors have caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
