RECITALS

A. Pursuant to the terms of the Credit Agreement, the Lenders have extended, or will extend, to the Borrowers (as defined in the Credit Agreement), certain credit facilities, all of which are guaranteed by the Pledgor. The Pledgor executed and delivered a Trademark Security Agreement dated as of May 1, 2009, in favor of the Agent as amended by that certain First Amendment to Patent Security Agreement dated March 30, 2012 (collectively, the "Trademark Security Agreement"), as security for its Obligations (both primary and as guarantor) under the Third Amendment and Restatement (as defined in the Credit Agreement). The Trademark Security Agreement and the other Related Documents continue to secure the Obligations under the Credit Agreement.

B. The Pledgor represents that the Trademark Collateral described in Exhibit A-1 hereto is the current complete list of registered Trademark Collateral, and the Pledgor and the Agent desire to replace Exhibit A to the Trademark and Security Agreement with Exhibit A-1 attached hereto.

AGREEMENTS

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, receipt of which is hereby acknowledged, the Pledgor and the Agent agree as follows:

1. The Pledgor and the Agent agree that the Recitals above are a part of this Agreement.
2. The Pledgor represents and warrants to the Agent and the Lenders as follows:

(a) The Pledgor is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite corporate power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

(b) The Pledgor has full corporate power and authority to execute and deliver this Agreement, to transfer the Trademark Collateral and perform all other obligations required hereunder with respect to such Trademark Collateral and interests, and to incur and perform its obligations under this Agreement, all of which have been duly authorized by all proper and necessary corporate action on behalf of the Pledgor. No consent or approval of shareholders or any creditors of the Pledgor or of any Subsidiary is required as a condition to the execution, delivery, validity or enforceability of this Agreement, including, without limitation, the right of the Agent to dispose of the Trademark Collateral during an Event of Default and the acceleration of the Obligations as a result thereof. Except for the registration of this Agreement in the United States Patent and Trademark Office, no consent, approval, filing or registration with or notice to any Governmental Authority on the part of the Pledgor is required as a condition to the execution, delivery, validity or enforceability of this Agreement and the exercise of remedies hereunder.

(c) The Trademark Security Agreement, as amended by this Agreement, and each of the Related Documents to which the Pledgor is a party remain in full force and effect, and each constitutes the valid and legally binding obligation of the Pledgor, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(d) No Event of Default and no event which, with notice, lapse of time or both would constitute an Event of Default, has occurred and is continuing under the Trademark Security Agreement, the Credit Agreement or the Loan Documents.

(e) The representations and warranties made by the Pledgor in the Trademark Security Agreement with respect to the Trademark Collateral are hereby made with respect to the Trademark Collateral which is the subject of this Agreement as if the same had been fully set forth herein but shall be effective from and after the date hereof.

3. The Trademark Security Agreement is hereby amended as follows:

(a) Exhibit A of the Trademark Security Agreement is hereby deleted in its entirety and is hereby replaced with Exhibit A-1 attached to this Agreement. The new Exhibit A-1 is hereby incorporated into the Trademark Security Agreement and made a part thereof.

(b) The Pledgor hereby confirms that the grant of a security interest in the General Intangibles pursuant to the Security Agreement and the Trademark Security Agreement applies to all Trademark Collateral, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof, and those referred to in Exhibit A-1

hereto, to the same extent, as if such Trademark Collateral had been described in the original Trademark Security Agreement.

4. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgor hereby confirms the Pledgor's grant of a security interest in the General Intangibles (including, without limitation, the Trademark Collateral defined below) pursuant to, and as defined in, the Security Agreement and, without limiting such grant, hereby pledges, assigns and grants to the Agent, for its benefit and the ratable benefits of the Lenders, to secure the prompt and complete payment and performance of the Obligations (as defined in the Security Agreement), a continuing first priority security interest in and to all right, title and interest of the Grantor in and to any and all of the following, whether now or hereafter existing or acquired (the "Trademark Collateral"):

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of a like nature (all of the foregoing items in this clause (a) being collectively called a "Trademark"), now existing in the United States of America or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof, including those referred to in Exhibit A-1 hereto;

(b) all Trademark licenses, including each Trademark license referred to in Exhibit A-1 hereto;

(c) all reissues, extensions or renewals of any of the items described in clauses (a) and (b);

(d) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clauses (a) and (b); and

(e) all proceeds of, and rights associated with, the foregoing, including any claim by the Pledgor against third parties of past, present, or future infringement or dilution of any Trademark, Trademark registration or Trademark license, including any Trademark, Trademark registration or Trademark license referred to in Exhibit A-1 hereto, or for any injury to the goodwill associated with the use of any Trademark or for breach or enforcement of any Trademark license.

5. Without limiting any similar provisions in the Trademark Security Agreement, the Pledgor hereby consents to the registration of this Agreement with the United States Patent and Trademark Office.

6. The Pledgor hereby issues, ratifies and confirms the representations, warranties and covenants contained in the Trademark Security Agreement, as amended hereby, except that to the extent any such representation, warranty or covenant by its express terms relates to an earlier date, such representation, warranty or covenant, as applicable, was true and correct in all material respects on and as of such earlier date. The Pledgor agrees that this Agreement is not intended to and shall not cause a novation with respect to any or all of the Obligations. Except as expressly

modified herein, all of the terms, conditions and provisions of the Trademark Security Agreement shall continue in full force and effect.

7. The Pledgor shall pay at the time this Agreement is executed and delivered all fees, commissions, costs, charges, taxes and other expenses incurred by the Agent and its counsel in connection with this Agreement, including, but not limited to, reasonable fees and expenses of the counsel and all recording fees, taxes and charges.

8. This Agreement is one of the Loan Documents.
