## TRADEMARK ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, Apperian, Inc. (“Assignor”) have sold, assigned, transferred, and conveyed, and do hereby sell, assign, transfer, and convey does hereby sell and assign to Arxan Technologies, Inc. (“Assignee”), a corporation organized and existing under the laws of the United States and the State of Delaware, having its principal place of business at 650 California Street, Suite 2750, San Francisco, California 94108, its successors, assigns, nominees, or other legal representatives, the entire right, title, and interest in the United States of America in and to the registered mark MAM (US Trademark Registration No. 4548103) created in an application for trademark and filed in the United States of America executed by the Assignor on the date indicated by Assignor’s signature below, together with the entire right, title and interest in and to the trademark which may be issued upon the application, and upon any division thereof. This Assignment includes any goodwill of any business relating to products or services on which the registered mark has been used and for which it is registered.

Assignor hereby also sells, assigns, transfers, and conveys unto Assignee the entire right, title and interest including any goodwill of any business relating to products or services on which the registered mark has been used and for which it is registered in and to both common law and any federal rights that might exist now or in the future for the registered trademark MAM in the United States of America and all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the applications for trademarks in foreign countries. Assignor further authorizes Assignee to apply for trademarks in foreign countries directly in its own name, and to claim priority of the filing date of the application for trademarks of the United States of America under the provisions of any and all international conventions and treaties.

Assignor hereby authorize and request the Commissioner of Patents and Trademark of the United States of America to issue and/or maintain trademarks upon the aforesaid application and division to Assignee, for the sole use and benefit of Assignee, its successors, assigns and legal representatives, to the full end of the term for which trademarks may be granted, the same as they would have been held and enjoyed by Assignor had this assignment not been made, and

we hereby authorize and request the equivalent authorities in foreign countries to issue and maintain the trademarks of their respective countries to Assignee.

We agree that, when requested, Assignor will, without charge to Assignee, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining copyrights, patents, and trademarks for the inventions in any and all countries and for vesting title thereto in Assignee, its successors, assigns and legal representatives or nominees.

Assignor covenants with Assignee, its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.

  
Mark Lorion
