## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of June 20, 2019 is between THERAGENICS CORPORATION, a Delaware corporation and GALT MEDICAL CORP., a Texas corporation, (each herein referred to as a "Grantor" and, collectively, the "Grantors") and PNC Bank, National Association, as Agent (in such capacity, together with its successors in such capacity, the "Grantee") for the lenders from time to time party to the Credit Agreement (as hereinafter defined). Capitalized terms used and not otherwise defined herein shall have the meaning specified in the Credit Agreement (as hereinafter defined).

WHEREAS, Grantors own the Marks (as hereinafter defined) as listed on Schedule 1 annexed hereto;

WHEREAS, Grantors, certain lenders (the "Lenders") and Grantee are parties to a Third Amended and Restated Revolving Credit, Term Loan and Security Agreement, dated as of December 23, 2015 (as amended, extended, restated, supplemented or modified from time to time, the "Credit Agreement");

WHEREAS, pursuant to the terms of the Credit Agreement, each Grantor has granted to Grantee for the ratable benefit of such Lenders, a security interest in substantially all the assets of such Grantor including all right, title and interest of such Grantor in, to and under all such Grantor's Marks, whether presently existing or hereafter arising or acquired, together with the goodwill of the business symbolized by the Marks and the applications therefor and the registrations thereof, and all products and proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment of all amounts owing under the Credit Agreement and the other Obligations;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure the prompt payment and performance to Agent and each Lender of the Obligations, each Grantor hereby grants to Grantee for its benefit and for the ratable benefit of each Lender, a continuing security interest in all of such Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired:

- (i) each United States or foreign trademark, service mark and trade name now held or hereafter acquired by such Grantor, including any registration or application for registration of any trademarks and service marks now held or hereafter acquired by such Grantor, which are registered in the United States Patent and Trademark Office or the equivalent thereof in any State of the United States or in any foreign country, as well as any unregistered marks used by such Grantor, and any trade dress including logos, designs, company names, business names, fictitious business names and other business identifiers used by such Grantor in the United States or any foreign country (each a "Mark" and collectively, the "Marks"), including, without limitation, each Mark referred to in

Schedule I annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Mark; and

(ii) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future infringement or dilution of any Mark including, without limitation, any Mark referred to in Schedule I annexed hereto, or for injury to the goodwill associated with any Mark.

This security interest is granted in conjunction with the security interests granted to the Grantee pursuant to the Credit Agreement. Grantors do hereby further acknowledge and affirm that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
