AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This Amended and Restated Trademark Security Agreement (this “Trademark Security Agreement”) is made as of this 2<sup>nd</sup> day of July, 2019, by the Grantors listed on the signature pages hereof (collectively, jointly and severally, “Grantors” and each individually “Grantor”), in favor of PNC BANK, NATIONAL ASSOCIATION, in its capacity as agent for the Lenders (together with its successors and assigns in such capacity, “Agent”).

W I T N E S S E T H:

WHEREAS, pursuant to that certain Third Amended and Restated Revolving Credit, Term Loan and Security Agreement dated as of the date hereof, by and among FINCH PAPER LLC, a limited liability company formed under the laws of the State of Delaware (“Finch Paper”), FRENCH PAPER LLC, a limited liability company formed under the laws of the State of Delaware (“French Paper”), TRU-BLU INDUSTRIES LLC, a limited liability company formed under the laws of the State of Delaware (“Tru-Blu”, together with Finch Paper and French Paper, collectively, “Borrowers”, and each individually, “Borrower”), FINCH PAPER HOLDINGS LLC, a limited liability company formed under the laws of the State of Delaware (“Holdings”), the financial institutions which are now or which hereafter become a party thereto (collectively, the “Lenders” and each individually a “Lender”) and Agent (as amended, restated, amended and restated, modified, renewed, extended replaced or substituted, the “Credit Agreement”), the Lenders agreed to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof; and

WHEREAS, pursuant to the Credit Agreement, Grantors are required to execute and deliver to Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Agent, for the benefit of the Secured Parties, a continuing security interest in and first priority Lien on all of such Grantor’s Collateral, including all right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “Trademark Collateral”):

(a) all of such Grantor’s trademarks, trademark applications, service marks, trade names, mask works and associated goodwill (collectively, “Grantor’s Trademarks”) and licenses that any Grantor has provided to a third party for any of the foregoing (“Licenses”), including those referred to on Schedule I hereto, but excluding “intent-to-use” United States trademark applications to the extent that an amendment to allege use or statement of use has not been filed under 15 U.S.C. §1051(c) or 15 U.S.C. §1051(d), respectively, or if filed, has not been deemed in conformity with 15 U.S.C. §1051(a) (collectively, “Trademarks”); provided, however that upon filing of an amendment to allege use or statement of use under 15 U.S.C. §1051(c) or 15 U.S.C. §1051(d), which conforms with 15 U.S.C. §1051(a), such trademarks shall be immediately and automatically deemed “Trademarks” under this Agreement;

(b) all reissues, continuations, continuations-in-part, substitutes, extensions or renewals of and improvements on the foregoing; and

(c) all products and proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future infringement or dilution of any Trademark or any Trademark licensed under any License.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secure the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantors, or any of them, to Agent, the Secured Parties or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

4. CREDIT AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Secured Parties, pursuant to the Credit Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provisions of this Trademark Security Agreement are deemed to conflict with those of the Credit Agreement, the provisions of the Credit Agreement shall govern.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall create or obtain rights to any new Trademarks or Licenses for Trademarks, in each case, constituting Collateral, this Trademark Security Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Agent with respect to any such new Trademarks or Licenses for Trademarks. Without limiting Grantors' obligations under this Section 5, Grantors hereby authorize Agent unilaterally (but Agent shall be under no obligation) to modify this Trademark Security Agreement by amending Schedule I to include any such new Trademarks or Licenses for Trademarks of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. GOVERNING LAW. This Trademark Security Agreement and all matters relating hereto or arising herefrom (whether arising under contract law, tort law or otherwise) shall, in accordance with Section 5-1401 of the General Obligations Law of the State of New York, be governed by and construed in accordance with the laws of the State of New York, without regard to any conflict of laws principles which would have the effect of applying the laws of any other jurisdiction.

7. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any Other Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party

against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

8. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any Other Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Trademark Security Agreement or any Other Document refer to this Trademark Security Agreement or such Other Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such Other Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any Other Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any Other Document to the satisfaction or repayment in full of the Obligations shall mean the indefeasible repayment in full in cash (or cash collateralization in accordance with the terms of the Credit Agreement) of all Obligations other than Unasserted Contingent Obligations. Any reference herein to any Person shall be construed to include such Person’s successors and assigns.

9. OTHER DOCUMENT. This Trademark Security Agreement is an Other Document for all purposes under the Credit Agreement.

10. INCORPORATION. The provisions of Article XII (Waivers and Judicial Proceedings), Section 16.5 (Indemnity), Section 16.6 (Notice), Section 16.8 (Severability), Section 16.9 (Expenses), Section 16.11 (Consequential Damages), Section 16.12 (Captions) and Section 16.14 (Construction) of the Credit Agreement are incorporated herein by reference mutatis mutandis with the same force and effect as if expressly written herein.

11. AMENDMENT AND RESTATEMENT. This Trademark Security Agreement amends and restates and is given in substitution of that certain existing Trademark Security Agreement, dated as of August 28, 2008, by Finch Paper in favor of Agent (the “Existing Trademark Security Agreement”), and does not extinguish the duties and obligations of Finch Paper under the Existing Trademark Security Agreement.

[Remainder of page intentionally left blank; signature page follows.]

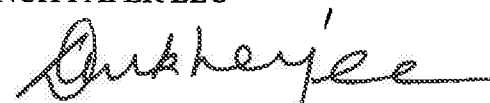

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
