TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT is entered into as of June 7, 2019 (this "Trademark Security Agreement"), among Lund, Inc., a Delaware corporation, ROLL-N-LOCK CORPORATION, a Florida corporation, Belmor, Inc., a Delaware corporation, Lund Motion Products, Inc., a Delaware corporation and BUSHWACKER, INC., an Oregon corporation (each, a "Grantor") and Wilmington Trust, National Association, as collateral agent (the "Collateral Agent") for the Secured Note Parties (as defined in the Indenture).

Reference is made to that certain Indenture, dated as of May 10, 2019 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Indenture"), by and among Truck Hero, Inc., a Delaware corporation (the "Issuer"), Truck Acquisition Inc., a Delaware corporation ("Holdings"), and each of Issuer's Subsidiaries party thereto as Guarantors (Holdings and such Subsidiaries are referred to hereinafter each individually as a "Guarantor" and individually and collectively, jointly and severally, as "Guarantors"), Wilmington Trust, National Association as trustee and the Collateral Agent.

Reference is also made to that certain Pledge and Security Agreement (Notes), dated as of May 10, 2019 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Notes Security Agreement"), by and among, amongst others, the Issuer, the other Grantors (as defined therein) and the Collateral Agent.

Consistent with the requirements set forth in Sections 4.17 and 11.04 of the Indenture and Section 4.03(c) of the Notes Security Agreement, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Notes Security Agreement.

SECTION 2. *Grant of Security Interest.* As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Note Obligations, each Grantor, pursuant to the Notes Security Agreement, did and hereby does pledge, collaterally assign, mortgage, transfer and grant to the Collateral Agent, its successors and permitted assigns, on behalf of and for the benefit of the Secured Note Parties, a continuing security interest in all of its right, title and interest in, to and under all of the following assets, whether now owned by or owing to, or hereafter acquired by or arising in favor of such Grantor, and regardless of where located (collectively, the "Trademark Collateral"):

(a) all trademarks (including service marks), common law marks, trade names, trade dress, domain names and logos, slogans and other indicia of origin under the laws of any jurisdiction in the world, and the registrations and applications for registration thereof (including the registrations and applications listed on Schedule I hereto); and the goodwill of the business connected with the use of and symbolized by the foregoing; (b) all renewals of the foregoing; (c) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims and payments for past, present and future infringements or dilutions thereof; (d) all rights to sue for past, present, and future infringements or dilutions of any of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (e) all rights corresponding to any of the foregoing. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include (i) any foreign IP Rights and any intent-to-use Trademark application prior to the filing of a "Statement of Use" or an "Amendment to Allege Use" with respect thereto, only to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark application or any registration issuing therefrom under applicable law, or (ii) any other Excluded Assets.

SECTION 3. *Notes Security Agreement.* The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Notes Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Notes Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Notes Security Agreement, the terms of the Notes Security Agreement shall govern.

SECTION 4. *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 5. *Counterparts.* This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

SECTION 6. *Concerning the Collateral Agent.* Wilmington Trust, National Association is entering into this Agreement solely in its capacity as Collateral Agent under the Indenture and shall be entitled to all of the rights, privileges, immunities and indemnities set forth in the Indenture, as if such rights, privileges, immunities and indemnities were set forth herein.
