## Trademark Assignment Agreement

This TRADEMARK ASSIGNMENT AGREEMENT ("Agreement") is entered into as of July 5, 2019 ("Effective Date"), and is entered into by and among Savage Arms, Inc., a Delaware corporation ("Assignee") and Savage Sports Corporation ("Assignor"). The Assignee and Assignor may be individually referred to herein as a "Party" and collectively as, the "Parties."

### **RECITALS**

WHEREAS, pursuant to the Agreement and Plan of Merger and Liquidation, dated as of July 5, 2019, by and between Assignor and Assignee (the "Merger Agreement"), Assignor will be voluntarily merged with and into Assignee; and

WHEREAS, in furtherance of the purpose of the Merger Agreement, Assignor agreed to assign, transfer, convey, and deliver to Assignee all of Assignor's right, title and interest in and to trademark registrations, trademark applications, unregistered trademarks and other indicia of origin related to Assignor's business or otherwise owned by Assignor, including, without limitation, the trademark registrations and trademark applications set forth on Schedule A (collectively, the "Assigned Trademarks").

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, it is hereby agreed by and between the Parties as follows:

### **AGREEMENT**

1. On the Effective Date and prior to the effective time of the merger between Assignor and Assignee, Assignor hereby irrevocably assigns, transfers, conveys, and delivers all of Assignor's rights, title, and interests, for all jurisdictions throughout the world, including all countries and political entities, in and to:

a. the Assigned Trademarks, including those that are registered and those that are pending registration; provided, that no United States intent-to-use trademark or service mark application shall be included in the Assigned Trademarks to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark or service mark application under the laws of the United States;

b. any and all goodwill associated with the Assigned Trademarks and in the business, products, and services symbolized by the Assigned Trademarks, including any and all rights, priorities, and privileges of Assignor under the laws of the United States and any of its states, the laws of any other jurisdiction, multinational law, and any compact, treaty, protocol, convention, or organization, and all common law rights;

c. any and all income, royalties or payments due, accrued, or payable as of the Effective Date or thereafter, proceeds, claims, causes of action, and rights to enforce, sue for, and recover or collect from past, existing, and future infringement, misappropriation, or other violation or impairment of any of the Assigned Trademarks; and

d. any and all applications and registrations of the Assigned Trademarks that Assignor holds or control, including, without limitation, the right to file additional trademark applications and to all resulting registrations.

2. This Agreement may be executed in one or more counterparts and delivered via facsimile, pdf, or other electronic means, each of which shall be deemed an original as against the Party that signed it and all of which shall together constitute one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that all Parties need not sign the same counterpart.

3. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and assigns.

4. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflicts of law principles of such state.
