## ASSIGNMENT OF INTELLECTUAL PROPERTY

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY (this "Assignment") is signed, made, and entered into effective as of May 20, 2019 (the "Effective Date") by and between LUBRICATING SPECIALTIES COMPANY, a California corporation, located at 8015 Paramount Boulevard, Pico Rivera, California 90660, USA ("Assignor"), and AOCLSC, Inc., a Florida corporation, located at 1601 McCloskey Blvd, Tampa, FL 33605, USA ("Assignee"). This Assignment is executed pursuant to that certain ASSET PURCHASE AGREEMENT, dated as of the date hereof, between Assignee and Assignor (the "APA"). Capitalized terms used but not defined in this Assignment shall have the respective meanings ascribed to them in the APA.

WHEREAS, pursuant to the APA, Assignor desires to convey, and hereby does convey, its entire right, title, and interest in and to those certain intellectual property assets as defined in the APA and set forth on EXHIBIT A, including trademarks and related applications and registrations, to Assignee.

NOW, THEREFORE, for a good and valuable consideration the parties hereto agree as follows:

1. Definitions.

- (a) "Affiliate" shall have the definition set forth in the APA.
- (b) "Assigned Intellectual Property" means the Intellectual Property Assets (as defined in the APA), the Intellectual Property Registrations (as defined in the APA), the Intellectual Property Agreements (as defined in the APA), the Assigned Marks, the Assigned Copyrights, and any other intellectual property right transferred to the Assignee under the APA.
- (c) "Assigned Marks" means any and all company names, trade names, trademarks, service marks, domain names, logos, slogans, design rights, and social media identifiers, identical to or a colorable imitation of those marks set forth on EXHIBIT A, whether in the form of a word mark, a stylized word mark, a logo, or symbol, that has been used, or may be used, on or in connection with any good or service of Assignee, and other similar designations of source or origin, together with the goodwill symbolized by any of the foregoing.
- (d) "Assigned Copyrights" means any and all copyrights in any label, safety data sheet, material safety data sheet, product specification or recipe, packaging or marketing material or other documentation transferred to the Assignee under the APA, and in any electronic version of any of the foregoing made available to Assignee to enable Assignee to resell any inventory purchased pursuant to the APA or to sell future products under the Assigned Marks.

- (e) "Intellectual Property Agreements" shall have the definition set forth in the APA.
- (f) "Intellectual Property Registrations" shall have the definition set forth in the APA.

## 2. ASSIGNMENT & LICENSE

**2.1 *Assignment.*** Assignor, on behalf of itself and all of its Affiliates, hereby irrevocably transfers and assigns to the Assignee, all right, title and interest in or to the Assigned Intellectual Property, and all goodwill associated therewith, that Assignor or its Affiliates has or may have now or in the future. The foregoing assignment includes without limitation any and all (i) licenses and sublicenses (implied and otherwise) granted and obtained with respect thereto, including all Intellectual Property Assets, Intellectual Property Registrations, and Intellectual Property Agreements, (ii) rights to protection of interests therein under the laws of all jurisdictions, (iii) associated rights for present and future income, royalties or other payment with respect thereto, (iv) associated rights to sue for present or future damages in relation to any infringement or misappropriation thereof, (v) rights to receive registrations thereof in any nation, assignments or transfers thereof or licenses thereto in every nation, and (vi) associated goodwill.

**2.2 *Further Assurances.*** Assignor will promptly and without charge but at Assignee's expense, upon the request of Assignee, assist Assignee or its successor in (i) taking or causing to be taken all reasonable actions, steps and proceedings to transfer all Assigned Intellectual Property, (ii) executing or causing to be executed all applications, assignments, documents or other instruments, as the Assignee may reasonably require in order to vest absolute legal and beneficial ownership of the rights referred to in section 2.1 above in the Assignee or its assignee or to register or otherwise perfect Assignee's or its successor's title thereto anywhere in the world, and (iii) evidencing prior sales and distribution arrangements that Assignor may have made to the extent such materials are available in the event any Assigned Intellectual Property is challenged by a third party based on an allegation of non-use.

**2.3 *Related Assignments.*** To the extent Assignor executes any separate assignments in favor of Assignee or its successor or agent for the purposes of recording or otherwise, such separate assignments and this Assignment will be construed together to effect the intent of the transfer of Assigned Intellectual Property set forth in Section 2.1 above.

**2.4 *Right to Rely.*** Any nation or state, or agency or representative thereof, or individual, partnership, corporation, or other entity, may rely without further inquiry upon the powers and rights granted to Assignee herein and upon any notarization, certification, verification, affidavit, or jurat by any notary public of any state relating to the authorization, execution, and delivery of this Assignment of the authenticity of any copy, conformed or otherwise, hereof.

### 3. INDEMNIFICATION, REPRESENTATIONS AND WARRANTIES

**3.1 *Indemnification.*** The Assignor hereby agrees to indemnify and defend the Assignee and each of its shareholders, directors, officers, employees, agents, contractors, and Affiliates, and each of their respective heirs, personal representatives, successors, and assigns (each, an "Indemnified Party" and collectively the "Indemnified Parties"), hold each of them harmless from, against, and in respect of, and pay, any and all damages, costs, fees (including any legal fees, expert fees, accounting fees, or advisory fees), charges, expenses, losses, claims, liabilities, fines, judgments, awards, settlements, taxes, and penalties (including any interest that may be imposed in connection therewith, and including court costs, reasonable fees and disbursements of counsel, and costs of investigation) incurred by any one or more of the Indemnified Parties, arising out of, in connection with, or related to any infringement or similar claim by a third party arising out of actual or attempted registration or use of any of the Assigned Intellectual Property prior by the Assignor or any party acting on behalf of the Assignor.

**3.2 *Assignor's Agreement Not to Interfere.*** Assignor, on behalf of itself and its Affiliates, agrees not to register, seek to register, use, or sublicense any trademark, service mark, trade name, domain name or social media identifier identical to or a colorable imitation of any of the Assigned Marks. Should any application, registration, domain name or social media identifier be filed or acquired by Assignor or any Affiliate of Assignor that Assignee reasonably determines is confusingly similar to any Assigned Mark, Assignor will immediately assign and transfer, or cause to be immediately assigned and transferred, all rights in and to such application, registration, domain name or social media identifier (and all good will associated therewith) to Assignee upon request and without charge. Assignor, on behalf of itself and its Affiliates, further agrees not to oppose or seek to cancel any application to register, or registration, for any trademark, service mark, trade name, domain name or social media identifier identical to or a colorable imitation of any of the Assigned Marks owned or filed by Assignee or its related companies. Should any such cancellation or opposition be brought by or for Assignor or any Affiliate of Assignor, Assignor shall cause such proceeding to be immediately dismissed upon request and without charge.

### 4. GENERAL PROVISIONS

**4.1 *Headings and Subheadings.*** The inclusion in this Assignment of headings and subheadings is for convenience of reference only and shall not affect the construction or interpretation of this Assignment.

**4.2 *Invalidity of Provisions.*** Each of the provisions contained in this Assignment is distinct and severable and a declaration of invalidity or unenforceability of any such provision by a court of competent jurisdiction shall not affect the validity or enforceability of any other provision of this Assignment.

**4.3 *Entire Agreement.*** This Assignment and the APA, together with any schedules or appendices attached hereto or to the APA, constitutes the entire agreement between the parties

pertaining to the subject matter of this Assignment and there are no warranties, representations or agreements between the parties in connection with the subject matter of this Assignment except as specifically set forth or referred to in this Assignment or the APA.

**4.4 *Modification and Waiver.*** This Assignment may not be modified unless agreed to in writing by all of the parties hereto. No extension of any time limit granted by a party shall constitute an extension of any other time limit or any subsequent instance involving the same time limit. No consent by a party to, nor waiver of, a breach by the other party, whether express or implied, shall constitute a consent to or waiver of or excuse for any other different or subsequent breach, unless such waiver or consent is in writing and signed by the party claimed to have waived or consented. Except as otherwise provided herein, no term or provision of this Assignment shall be deemed waived and no breach excused.

**4.5 *Counterparts.*** This Assignment may be signed in counterparts and each of such counterparts shall constitute an original document and such counterparts, when taken together, shall constitute one and the same instrument.

**4.6 *Facsimile or Electronic Transmission.*** Each of the Assignor and Assignee shall be entitled to rely upon delivery by facsimile or other means of electronic transmission of an executed copy of this Assignment.

**4.7 *Survival.*** The parties agree that the provisions of this Assignment that are intended to survive the termination of this Assignment shall survive the termination of this Assignment and shall continue in full force and effect and be binding upon the parties.

**4.8 *Inurement.*** This Assignment shall inure to the benefit of, and be binding upon, the Assignor and the Assignee and their respective successors, Affiliates and permitted assigns.

**4.9 *Governing Law.*** This Assignment shall be governed by, and construed in accordance with, the laws of the jurisdiction set forth in the governing law provision of the APA and may be enforced as set forth in the APA.

**4.10 *Recordings.*** Assignor hereby acknowledges that an executed copy of this Assignment and executed copies of any subsequent or related assignments or documents may be filed with the United States Patent and Trademark Office, the United States Copyright Office or with the intellectual property authority of any other country or region, as applicable, by or for Assignee or its successor in interest at any time.
