## TRADEMARK ASSIGNMENT

This Trademark Assignment Agreement ("Assignment") is made by and between TERAGREN LLC, a corporation formed in accordance with the laws of Washington (the "Assignor"), and HALLMARK FLOORS, INC., corporation formed in accordance with the laws of California (the "Assignee").

WHEREAS, Assignor is the owner of all right, title and interest in and related to the trademarks/service marks, the corresponding registrations, and applications for those registrations set forth in Exhibit A (collectively, the "Marks"), together with the goodwill of the business connected with and symbolized by the Marks;

WHEREAS, Assignor desires to assign, convey, deliver, and transfer to Assignee all of the right, title, interest, and goodwill in and to the Marks;

WHEREAS, Assignee desires to accept, acquire and receive all of the right, title, interest, and goodwill in and to the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as follows.

Assignor hereby assigns, conveys, delivers, and transfers to Assignee the entire right, title, interest in and to the Marks in the United States and all jurisdictions outside the United States, together with the goodwill of the business connected with and symbolized by the Marks (including, without limitation, the right to maintain and renew any registrations included in the Marks, the right to apply for and keep trademark or service mark registrations within or outside the United States based in whole or in part upon the Marks, and any priority or property rights that may arise from the Marks), the same to be held and enjoyed by Assignee completely, entirely and fully (including, without limitation, all income, royalties, and damages heretofore and hereafter due and payable to Assignor with respect to the Marks and all rights to sue or take any legal actions for past, present, and future infringements or misappropriations of the Marks).

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer and assignment of the registrations and applications for registration set forth in Exhibit A to Assignee as recipient of Assignor's entire right, title, interest, and goodwill therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Marks.

This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile or electronic transmission, which upon transmission shall be deemed delivery of an originally executed document.

### INSTRUCTIONS FOR COMPLETING THIS FORM

*This form complies with current California statutes regarding notary wording and, if needed, should be completed and attached to the document.
