NUNC PRO TUNC ASSIGNMENT OF TRADEMARK(S)

WHEREAS on or about July 26, 2019 (the "Effective Date"), Expeditors Management Services LLC, a Washington limited liability company (hereinafter referred to as "Assignor"), then being the owner of the following U.S. federal trademark registration (the "Mark"):

Mark(s)	Registration Number	Registration Date
THE FUTURE OF TMS	3,578,566	February 24, 2009

assigned in fact said Mark and that part of the goodwill of the business connected with and symbolized by said Mark to Expeditors International of Washington, Inc., a Washington corporation (hereinafter referred to as the "Assignee"), but without having executed a formal U.S. trademark assignment document; and

WHEREAS, Assignor intended to fully transfer the Mark to the Assignee on the Effective Date for all purposes; and

WHEREAS, Assignee now desires such formal U.S. trademark assignment in order to record the same in the U.S. Patent and Trademark Office.

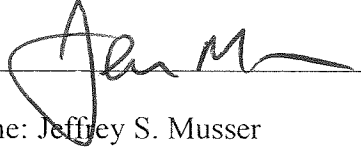

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by both Assignor and Assignee, the parties agree as follows:

1. Assignor hereby assigns and does transfer and set over unto Assignee, *nunc pro tunc* as of the Effective Date all of Assignor's right, title and interest in and to the Mark, and all subsisting registrations and pending applications therefor; all of the goodwill of the business associated with and symbolized by the Mark as well as all of the goodwill of the ongoing and existing business to which the Mark pertains and with which the Mark is used or is intended to be used; all right, title and interest to sue for, settle, or release any past, present and/or future infringement, dilution or other violations of any right, title, and/or interest in and to the Mark, and to recover, collect or otherwise receive all damages, royalties profits, interests, revenues, incomes, proceeds, payments, or settlements therefor; all right, title and interest to bring any cancellation opposition, or other proceeding in the U.S. Patent and Trademark Office, or before any equivalent agency throughout the world, in connection with or otherwise based upon the Mark; and all right, title and interest to collect and receive any and all income, royalties, proceeds and payments arising by virtue of use of the Mark before or after the Effective Date hereof. All rights, titles, and interests assigned hereunder are to be held and enjoyed by Assignee and its successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the U.S. Patent and Trademark Office, and any corresponding entities or agencies in any applicable foreign jurisdiction, to record Assignee as the assignee and sole owner of the entire right, title and interest in the Mark and to record Assignee as assignee and owner of all the registrations which have issued or which may issue with respect to any such Mark. Assignee shall have the right to

record this assignment with all applicable government authorities and registrars so as to perfect its ownership in and to the Mark.

IN WITNESS WHEREOF, this assignment has been executed this 26 day of July, 2019.
