ASSIGNMENT AND TRANSFER AGREEMENT

This Assignment and Transfer Agreement ("Agreement"), effective as of June 28, 2019, is entered into by and between JOHNSON & JOHNSON, with principal offices located at One Johnson & Johnson Plaza, New Brunswick, New Jersey 08933-7001, ("Assignor") and THE TASK FORCE FOR GLOBAL HEALTH, INC. with principal offices located at 325 Swanton Way, Decatur, Georgia 30030-3001 ("Assignee").

WHEREAS, Assignor (i) is the owner of the trademarks and service marks listed on Schedule A attached hereto and made a part hereof, and the goodwill associated therewith (the "Marks") and (ii) is the proper current registrant of the Internet domain names listed on Schedule A (the "Domain Names") as currently registered with the registrar indicated on Schedule A; and

WHEREAS, Assignor desires to assign, transfer and convey all right, title and interest in and to the Marks and Domain Names to Assignee, and Assignee desires to acquire all right, title and interest in and to the Marks and Domain Names.

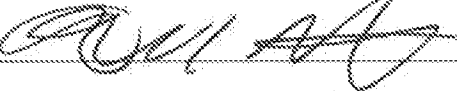

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, and other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties agree as follows:

1. Assignor does hereby assign, transfer and convey to Assignee, its successors, assigns, and legal representatives, all right, title and interest in and to the Marks and Domain Names, including all registrations and applications thereof, together with the goodwill symbolized by the Marks, and all rights of action accrued and to accrue under and by virtue hereof, including the right to sue and recover for past infringement of said Marks.
2. Upon execution of this Agreement, Assignor shall modify the domain name system ("DNS") records (through its Technical Contact, Internet Service Provider or however necessary) such that the registrant associated with the Domain Names will be changed to Assignee and that the Administrative and Billing contact for the Domain Names and Technical contact for the Domain Names be changed as requested by Assignee.
3. Each party agrees to execute and deliver further documents and perform further acts that may be reasonably necessary to make effective the transactions contemplated in this Agreement. Assignor agrees to execute any instruments and make all rightful oaths that are necessary, as reasonably requested by Assignee, to perfect such assignment, to obtain and enforce proper protection for such Marks in Assignee, and to record such assignment for the Marks and Domain Names with applicable registries in each applicable jurisdiction. Notwithstanding the foregoing, Assignee shall be responsible for any out of pocket costs incurred by Assignor in executing its obligations under this Paragraph 3.
4. This Agreement constitutes the entire, full and complete agreement between Assignor and Assignee concerning the subject matter hereof, and supersedes all prior oral and written agreements, if any. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall be construed as a single instrument.

[Signatures on Next Page]
