CONFIRMATION OF SUCCESSION OF AGENCY

This CONFIRMATION OF SUCCESSION OF AGENCY (this "Confirmation"), dated as of August 1, 2019 (the "Effective Date"), is executed by WELLS FARGO BANK, NATIONAL ASSOCIATION, in its capacity as Collateral Agent under the Security Agreement (as defined below) prior to the execution of the Instrument (as defined below) (the "Resigning Agent"), and U.S. BANK NATIONAL ASSOCIATION, in its capacity as current Collateral Agent under the Security Agreement since the execution of the Instrument (the "Successor Agent").

WITNESSETH:

WHEREAS, pursuant to that Security Agreement among TPC GROUP LLC, a Texas limited liability company ("Grantor"), the other assignors party thereto and the Resigning Agent, dated as of December 20, 2012 (as amended, amended and restated or otherwise modified from time to time, the "Security Agreement"), a security interest (the "Security Interest") was granted by the Grantor to the Resigning Agent in certain collateral, including the Trademark and Patent Collateral (as hereinafter defined);

WHEREAS, pursuant to that Grant of Security Interest in United States Trademarks and Patents among the Grantor and the Resigning Agent, dated as of December 20, 2012 (the "Patent and Trademark Security Agreement"), by reference to the Security Agreement, the Grantor reaffirmed its intent to grant a Security Interest to the Resigning Agent specifically in the Trademark and Patent Collateral;

WHEREAS, the Patent and Trademark Security Agreement was recorded in the Trademark Division of the United States Patent and Trademark Office on January 16, 2013 at Reel 4944 and Frame 420;

WHEREAS, pursuant to that certain Instrument of Resignation, Appointment and Acceptance, dated as of September 13, 2016 among Grantor, Resigning Agent, Successor Agent and the other parties thereto (the "Instrument"), the Resigning Agent resigned as Collateral Agent and was succeeded and replaced by the Successor Agent as successor Collateral Agent;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Defined Terms. All capitalized terms used, but not otherwise defined herein, shall have the respective meanings ascribed in or otherwise referenced in the Instrument or the Patent and Trademark Security Agreement, as applicable.

2. Succession and Replacement of Agency. Pursuant to the terms and conditions set forth in the Instrument, the Resigning Agent has ceased to be Collateral Agent under such capacity and is succeeded to and replaced by the Successor Agent as Collateral Agent under such capacity. Nothing herein shall be deemed to terminate, interrupt or impair the continuity of the security interest in the collateral originally granted to the Resigning Agent under the Patent and Trademark Security Agreement, which security interest is now succeeded by and transferred to the Successor Agent.
