WITNESSETH:

WHEREAS, pursuant to that Security Agreement among Grantor, the other assignors party thereto and Agent, dated as of December 20, 2012 (as amended, amended and restated or otherwise modified from time to time, the "Security Agreement"), a security interest (the "Security Interest") was granted by the Grantor to the Agent in certain collateral, including the Trademark and Patent Collateral (as hereinafter defined);

WHEREAS, pursuant to that Grant of Security Interest in United States Trademarks and Patents among the Grantor and the Agent, dated as of December 20, 2012 (the "Patent and Trademark Security Agreement"), by reference to the Security Agreement, the Grantor reaffirmed its intent to grant a Security Interest to the Agent specifically in the Trademark and Patent Collateral;
