TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of August 6, 2019 (this "Agreement"), is made by each of the signatories hereto indicated as a Grantor (each a "Grantor" and collectively, the "Grantors") in favor of Wilmington Trust, National Association, as collateral agent (in such capacity, and together with its successors and assigns, the "Collateral Agent") for the benefit of the Secured Parties.

WHEREAS, pursuant to that certain Term Credit Agreement dated as of August 6, 2019 by and among Revlon Consumer Products Corporation, a Delaware corporation (the "Borrower"), Revlon, Inc., a Delaware corporation ("Holdings"), the financial institutions or other entities (the "Lenders") from time to time parties thereto and Wilmington Trust, National Association, as Administrative Agent and Collateral Agent (as the same may hereafter be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and conditions set forth therein, to the Borrower;

WHEREAS, as a condition precedent to the obligation of the Lenders to make their respective extension of credit to the Borrower under the Credit Agreement, the Grantors entered into the Term Loan Guarantee and Collateral Agreement dated as of August 6, 2019 (as amended, restated, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement") between each of the Grantors and the Collateral Agent, pursuant to which each of the Grantors granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in the Trademark Collateral (as defined below); and

WHEREAS, pursuant to the Guarantee and Collateral Agreement, each Grantor agreed to execute and deliver this Agreement, in order to record the security interest granted to the Collateral Agent for the benefit of the Secured Parties with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms

Capitalized terms used but not defined herein shall have the respective meanings given thereto in the Guarantee and Collateral Agreement, and if not defined therein, shall have the respective meanings given thereto in the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral

SECTION 2.1 Grant of Security. Each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, all of such Grantor's right, title and interest in and to the following property now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future

may acquire any right, title or interest (collectively, the “Trademark Collateral”) as collateral security for the payment or performance, as the case may be (whether at the stated maturity, by acceleration or otherwise), of the Secured Obligations:

(i) all trademarks, trade names, corporate names, company names, business names, domain names, fictitious business names, trade dress, service marks, logos and other source or business identifiers, designs and general intangibles of like nature, (ii) all goodwill associated therewith or symbolized thereby and all common-law rights related thereto, (iii) all registrations and recordings thereof, and all applications in connection therewith including, without limitation, the United States registrations and applications listed in Schedule A attached hereto, (iv) the right to obtain all renewals thereof, (v) all rights to sue at law or in equity for any infringement, dilution or other violation thereof, including the right to receive all Proceeds and damages therefrom, and (vi) all other rights priorities and privileges relating thereto.

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any “intent-to-use” application for registration of a trademark or service mark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

SECTION 3. Security Agreement

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Guarantee and Collateral Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control.

SECTION 4. Governing Law

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS TO THE EXTENT THAT THE SAME ARE NOT MANDATORILY APPLICABLE BY STATUTE AND THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

SECTION 5. Counterparts

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.
