Guidelines for Completing Trademarks Cover Sheets (PTO-1594)

Cover Sheet information must be submitted with each document to be recorded. If the document to be recorded concerns both patents and trademarks, separate patent and trademark cover sheets, including any attached pages for continuing information, must accompany the document. All pages of the cover sheet should be numbered consecutively for example, if both a patent and trademark cover sheet is used, and information is continued on one additional page for both patents and trademarks, the pages of the cover sheet would be numbered from 1 to 4.

Item 1. Name of Conveying Party(ies).

Enter the full name of the party(ies) conveying the interest. If there is more than one conveying party, enter a check mark in the "Yes" box to indicate that additional information is attached. The name of the second and any subsequent conveying party(ies) should be placed on an attached page clearly identified as a continuation of the information in Item 1. Enter a check mark in the "No" box, if no information is contained on an attached page.

Item 2. Name, Address, Legal Entity Type, and Citizenship of Assignee.

Enter the name and complete address of the first party receiving the interest. If there is more than one receiving party, check the "Yes" box to indicate that additional information is attached and write the wording "See additional sheet" on the citizenship line. On a separate sheet, provide all of the necessary information about the other receiving parties, as explained below. If the receiving party is an **individual**, check the "Individual" box and enter the citizenship of the receiving individual. If the receiving party is a **legal entity**, i.e., corporation, association, limited partnership, etc., designate the legal entity and citizenship of the receiving party by checking the appropriate box and filling in the citizenship information. If a box is not provided for the legal entity, check the "Other" box and write the nature of the legal entity, e.g., limited liability company, trust, estate, etc., and its citizenship. **Information about the entity type and citizenship is mandatory.**

The citizenship of a legal entity is as follows: for a *corporation*, it is the U.S. state (or foreign country) of incorporation; for an *association*, it is the U.S. state (or foreign country) under which it is organized; for a *partnership* or *joint venture*, it is the U.S. state (or foreign country) under which it is organized, etc. In addition, for a *domestic* partnership or *domestic* joint venture, the cover sheet must include the names, legal entities, and national citizenship (or the state or country of organization) of *all* general partners or active members that compose the domestic partnership or domestic joint venture. For a *trust* or *estate*, the same information should be provided. If additional space is needed, check the "Yes" box to indicate that additional information is attached, write the wording "See additional sheet" next to the appropriate entity designation, and provide the required information on the additional sheet.

If the receiving party is not domiciled in the United States, a designation of domestic representative is encouraged. Check the appropriate box to indicate whether or not a designation of domestic representative is attached. Check the "No" box if no information is attached.

Item 3. Nature of Conveyance/Execution Date(s).

Enter the execution date(s) of the document. It is preferable to use the name of the month, or an abbreviation of that name, to minimize confusion over dates. In addition, place a check mark in the appropriate box describing the nature of the conveying document. If the "Other" box is checked, specify the nature of the conveyance. The "Other" box should be checked if the conveying/receiving party is correcting a previously filed document.

Item 4. Application Number(s) or Registration Number(s).

Indicate the application number(s) including series code and serial number, and/or registration number(s) against which the document is to be recorded. The identification of the trademark should be provided for all properties to avoid recordation against the wrong property. A filing date should be provided only when the application or registration number is unknown. Enter a check mark in the appropriate box: "Yes" or "No" if additional numbers appear on attached pages. Be sure to identify numbers included on attached pages as the continuation of Item 4.

Item 5. Name and Address of Party to whom correspondence concerning document should be mailed.

Enter the name and full address of the party to whom correspondence is to be mailed.

Item 6. Total Applications and Trademarks Involved.

Enter the total number of applications and trademarks identified for recordation. Be sure to include all applications and registrations identified on the cover sheet and on additional pages.

Item 7. Total Fee Enclosed.

Enter the total fee enclosed or authorized to be charged. A fee is required for each application and registration against which the document is recorded.

Item 8. Payment Information.

Enter the deposit account number and authorized user name to authorize charges.

Item 9. Signature.

Enter the name of the person submitting the document. The submitter must sign and date the cover sheet. Enter the total number of pages including the cover sheet, attachments, and document.
