**FIRST LIEN TRADEMARK SECURITY AGREEMENT**

This FIRST LIEN TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is entered into as of August 8, 2019, by and among EN ENGINEERING, L.L.C. ("Grantor") and ARES CAPITAL CORPORATION, in its capacity as collateral agent for the Secured Parties (in such capacity, the "Collateral Agent").

WITNESSETH:

WHEREAS, Grantor is party to a First Lien Pledge and Security Agreement, dated as of August 8, 2019 (as it may be from time to time amended, restated, amended and restated, replaced, supplemented and/or otherwise modified, the "First Lien Security Agreement"), in favor of the Collateral Agent pursuant to which Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement (as defined in the First Lien Security Agreement), Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the First Lien Security Agreement and used herein have the meaning given to them in the First Lien Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Grantor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following pledged Collateral of Grantor:

- (a) Trademarks of Grantor listed on Schedule I attached hereto;
- (b) all goodwill associated with such Trademarks; and
- (c) all proceeds of any and all of the foregoing.

SECTION 3. First Lien Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the First Lien Security Agreement, and Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the First Lien Security Agreement (and are expressly subject to the terms and conditions thereof). In the event that any provision of this Trademark Security Agreement is deemed to conflict with the First Lien Security Agreement, the provisions of the First Lien Security Agreement shall control.

SECTION 4. Termination. Upon the termination of the First Lien Security Agreement in accordance with its terms, the Collateral Agent shall execute, acknowledge, and deliver to Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 6. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the security interest granted to the Collateral Agent pursuant to this Trademark Security Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the First Lien/Second Lien Intercreditor Agreement, dated as of August 8, 2019 (as amended, restated, amended and restated, replaced, supplemented and/or otherwise modified from time to time, the "First Lien/Second Lien Intercreditor Agreement"). In the event of any conflict among the terms of the First Lien/Second Lien Intercreditor Agreement and the terms of this Trademark Security Agreement, the terms of the First Lien/Second Lien Intercreditor Agreement shall govern and control.

SECTION 7. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENTT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

**[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]**

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
