Gyder and Christopher Garman.

Concurrently with the execution of this Trademark Assignment, Assignor is consummating the transactions contemplated by the Purchase Agreement, pursuant to which, among other things, Assignor has agreed to contribute, convey, transfer, assign and delivered to Assignee all of Assignor’s right, title and interest in and to, among other things, the Assigned Trademarks (as defined below); and

Assignor and Assignee desire to execute this Trademark Assignment for purposes of recording the assignment of the Assigned Trademarks (as defined below) and filing this Trademark Assignment with the United States Patent and Trademark Office and/or any other applicable intellectual property offices and/or similar agencies outside of the United States, as may be necessary to effectuate the assignment of the Assigned Trademarks.

In consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby agrees as follows:

Assignor hereby contributes, conveys, transfers, assigns and delivers to Assignee all of Assignor’s right, title and interest throughout the world in and to (a) the Trademarks (and the registrations and applications therefor) listed on Attachment 1 and all goodwill corresponding thereto (collectively, the “**Assigned Trademarks**”) and (b) (i) all rights pertaining to the Assigned Trademarks arising under international treaties and convention rights; (ii) the right and power to assert, defend and recover title to the Assigned Trademarks; (iii) all rights to assert, defend, sue, and recover damages for any past, present and future infringement, misuse, misappropriation, impairment, unauthorized use or other violation of any rights in or to the Assigned Trademarks; (iv) all proceeds, income, royalties, damages and payments now and/or hereafter due and payable under and/or in respect of the Assigned Trademarks; and (v) all administrative rights arising from the Assigned Trademarks, including the right to prosecute applications and oppose, interfere with or challenge the applications of others, the rights to obtain renewals, continuations, divisions, and extensions of legal protection pertaining to the Assigned Trademarks.

2. This Trademark Assignment may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and will become effective when one or more counterparts have been signed by a party and delivered to the other parties.
