TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is made and entered into as of August 13, 2018 (the "Effective Date") by and between Spangler Candy Company, a corporation organized under the laws of the State of Ohio ("Assignor"), and STICHLER PRODUCTS INC., a corporation organized under the laws of the State of Pennsylvania, ("Assignee").

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the trademark rights into and to the United States trademarks identified in Exhibit A attached hereto and made a part hereof (the "Marks").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor and Assignee hereby agree as follows:

1. Assignment. Assignor hereby sells, assigns, transfers, and sets over to Assignee the entire right, title, and interest in and to the Marks, including all common law rights in and to the Marks, the goodwill of the business associated therewith or symbolized thereby, together with any renewals and extensions thereof and all other corresponding rights that are or may be secured under the laws of the United States now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties, damages, and payments now or hereafter due or payable with respect to any of the foregoing and all causes of action (either in law or in equity) and the right to sue, and recover for past, present, or future infringement or other unauthorized use of the Marks assigned to Assignee hereunder.
2. Recordation. Assignor authorizes the Commissioner of Patents and Trademarks of the United States and any official of any state or country foreign to the United States, whose duty it is to record trademark registrations, applications, and title thereto, to record the Marks and title thereto as the property of the Assignee, its successors, legal representatives, and assigns in accordance with the terms of this instrument.
3. General. Any provision in this Assignment which is illegal, invalid or unenforceable shall be ineffective to the extent of such illegality, invalidity or unenforceability, without affecting in any way the remaining provisions hereof. This Assignment may not be amended except by execution and delivery of an instrument in writing signed by officers of the parties hereto. This Assignment shall be governed and construed in accordance with the laws of the State of Delaware (without giving reference to the principles of conflicts of law). This Assignment may be executed in any number of counterparts, all of which, taken together, shall constitute one document. Counterparts of this Assignment (or applicable signature pages hereof) that are manually signed and delivered by facsimile or other electronic transmission shall be deemed to constitute signed original counterparts hereof and shall bind the parties signing and delivering in such manner.
