TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made effective as of December 20, 2018, by eGET Industrial Solutions Inc., a Canadian corporation ("Assignor"), and Caterpillar Inc., a Delaware corporation ("Assignee").

Assignee and Raptor Mining Products Inc. ("Raptor"), a company related to Assignor, executed an Asset Purchase Agreement dated December 20, 2018 (the "Purchase Agreement"). The Purchase Agreement erroneously assigned the U.S. and Canadian trademarks identified on the attached Schedule A along with any and all goodwill appurtenant thereto (the "Assigned Trademarks") because at the time of the execution of the Purchase Agreement, the Assigned Trademarks were actually owned by Assignor.

In order to correct the error, this Assignment is made and delivered by the last listed and current owner of the Assigned Trademarks in order to provide a document suitable for recordation with the U.S. and Canadian Trademark Offices to evidence the transfer of interest in the Assigned Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, and Assignee's successors and assigns, all of Assignor's rights, title and interest in, to and under the Assigned Trademarks, together with its common law rights, goodwill and the business associated with the Assigned Trademarks, and registrations thereof (including, without limitation, all proceeds thereof and the rights to sue for past, present and future infringements and damages), the same to be held and enjoyed by Assignee, for its own use and on behalf of its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor agrees to execute and deliver to Assignee, promptly upon request, any additional documents that are reasonably necessary to record or perfect Assignee's interest in, ownership of or title to the Assigned Trademarks, to clear any encumbrances on the Assigned Trademarks, or otherwise give full effect to the purposes of this Assignment.

Assignor authorizes and requests any official in the countries listed on the attached Schedule A, whose duty it is to register and record ownership in trademark registrations and applications for registration of trademarks, to record Assignee as the assignee and owner of any and all of Assignor's right, title and interest in and to the Assigned Trademarks.

[Signatures are on the following page.]

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be executed effective as of the day and year first written above.
