1. As of the Effective Date, Assignor hereby sells, contributes, grants, bargains, conveys, transfers, assigns and delivers to Assignee all right, title and interest in, to and under the Trademarks, together with the goodwill associated therewith, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations and all corresponding rights that are or may be secured under applicable laws, now or hereafter arising or in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all rights to collect royalties, products and proceeds in connection with any of the foregoing and all rights to sue for past, present, or future infringement, misappropriation, unfair competition, dilution, or other violation of the foregoing, and all rights to recover damages or lost profits in connection therewith, and all rights corresponding thereto.

2. Assignor further agrees to execute such further documents and provide assistance reasonably required or requested by Assignee, its successors and assigns, and their legal representatives (including, without limitation, execution and delivery of any affidavits, declarations, oaths, or other documents as may reasonably be required) to secure and enforce the rights granted to Assignee under this Assignment.
