TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of April 16, 2019 (this “**Agreement**”), is made by SIGNPOST, INC., a Delaware corporation (the “**Grantor**”), in favor of the **BANK OF MONTREAL, CHICAGO BRANCH**, as the secured party (together with its successor, the “**Secured Party**”).

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement, dated as of April 16, 2019 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “**Credit Agreement**”), between the Grantor, as borrower, and the Secured Party, as lender, the Grantor is required to execute and deliver this Agreement;

WHEREAS, in connection with the Credit Agreement, the Grantor has executed and delivered a Security Agreement, dated as of April 16, 2019 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “**Security Agreement**”);

WHEREAS, pursuant to the Credit Agreement and the Security Agreement, the Grantor is required to execute and deliver this Agreement and to grant to the Secured Party for its benefit a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Obligations; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees, for the benefit of the Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided (or incorporated by reference) in the Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby pledges and grants to the Secured Party for its benefit a security interest in all of the following property, whether now owned by the Grantor or hereafter acquired by the Grantor and whether now existing or hereafter coming into existence (the “**Trademark Collateral**”):

- (a) all of its Trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks and logos, including those referred to in “**Item A**” of “**Schedule I**” hereto, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any other country or political subdivision thereof or otherwise, and all common-law rights relating to the foregoing, and (ii) the right to obtain all reissues,

extensions or renewals of the foregoing (collectively referred to as the “**Trademark**”), with the exception of any intent-to-use trademark applications prior to the filing of a “statement of use” or an “amendment to allege use” with respect thereto, to the extent and for so long as creation by the Grantor of a security interest therein would result in the abandonment, invalidation or unenforceability thereof; *provided*, that such security interest shall attach immediately and automatically without further action when such prohibition is repealed, rescinded or otherwise ceases to be effective;

(b) all licenses in favor of the Grantor of any right to use any Trademark (excluding those licenses in favor of the Grantor of any right to use any commercially available software), including each Trademark license referred to in “**Item B**” of “**Schedule I**” hereto, with the exception of those licenses or other agreements that the grant of the security interest therein would (A) constitute a violation of a valid and enforceable restriction in favor of a third party (other than an Obligor) on such grant, unless and until any required consents shall have been obtained, or (B) give any other party to such license or other agreement (other than an Obligor) the right to terminate its obligations thereunder; *provided*, that the foregoing exclusions in the preceding clauses (A) and (B) shall in no way be construed to apply to the extent that the condition is unenforceable under Sections 9-406, 9-407, 9-408 or 9-409 of the NYUCC (or any successor provision or provisions) of any relevant jurisdiction or any other applicable governmental law; *provided, further*, that such security interest shall attach immediately and automatically without further action when the condition shall be remedied and, to the extent severable, shall attach immediately to any portion of such assets or rights that does not result in any of the consequences specified in the preceding clauses (A) or (B);

(c) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clause (a), and to the extent applicable clause (b);

(d) the right to sue third parties for past, present and future infringements of any Trademark Collateral described in clause (a) and, to the extent applicable, clause (b); and

(e) all Proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license and all rights corresponding thereto throughout the world.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Secured Party in the Trademark Collateral with the United States Patent and Trademark Office and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Secured Party for its benefit under the Security Agreement. The Security Agreement (and all rights and remedies of the Secured Party and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms. The Grantor authorizes and requests that the

Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 4. Release of Liens. Upon (i) the disposition of any Trademark Collateral to the extent permitted by the Credit Agreement or (ii) the termination of the Credit Agreement in accordance with the terms thereby, the security interests granted herein shall automatically terminate with respect to (A) such Trademark Collateral (in the case of clause (i)) or (B) all Trademark Collateral (in the case of clause (ii)). Upon any such disposition or termination, the Secured Party will, at the Grantor's sole expense, without any representations, warranties or recourse of any kind whatsoever, (x) deliver to the Grantor all Trademark Collateral held by the Secured Party hereunder and (y) execute and deliver to the Grantor such documents as the Grantor shall reasonably request to evidence such termination.

SECTION 5. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Loan Document. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof, including Article 15 thereof.

SECTION 7. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile (or other electronic) transmission shall be effective as a delivery of a manually executed counterpart of this Agreement.
