TRADEMARKS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that pursuant to the Security and Pledge Agreement dated as of August 30, 2019 (as the same may be amended, modified, extended or restated from time to time, the "Agreement") by and among the Obligors party thereto (each an "Obligor" and collectively, the "Obligors"), Bank of America, N.A., as Administrative Agent (the "Administrative Agent") for the holders of the Obligations referenced therein and the L/C Issuer identified therein, the undersigned Obligor has granted a continuing security interest in any and all right, title and interest of such Obligor in and to the trademarks and trademark applications set forth on Schedule 1 hereto to the Administrative Agent for the benefit of the holders of the Obligations.

The undersigned Obligor and the Administrative Agent, on behalf of the holders of the Obligations, hereby acknowledge and agree that the security interest in the foregoing trademarks and trademark applications (i) may only be terminated in accordance with the terms of the Agreement and (ii) is not to be construed as an assignment of any trademark or trademark application.

Notwithstanding anything to the contrary herein, no grant of a security interest or lien upon shall be granted hereunder in any trademark application filed on an intent to use basis until such time, if any, as a statement of use is filed and accepted with the United States Patent and Trademark Office but only to the extent that, and solely during the period if any in which, the grant of a security interest therein would result in the loss by the undersigned Obligor of any rights therein.
