FIRST LIEN TRADEMARK SECURITY AGREEMENT

This FIRST LIEN TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”) is entered into as of September 4, 2019, by and among Gorman Health Group, LLC, a District of Columbia limited liability company, Healthscape Advisors, LLC, an Illinois limited liability company, Pareto Intelligence, LLC, an Illinois limited liability company, United States Pharmaceutical Group L.L.C., a Delaware limited liability company, and Healthcare Business Solutions, LLC, a Texas limited liability company (each a “Grantor” and collectively, the “Grantors”) and ARES CAPITAL CORPORATION, in its capacity as collateral agent for the Secured Parties (in such capacity, together with its successors and permitted assigns, the “Collateral Agent”).

PRELIMINARY STATEMENTS

WHEREAS, Grantors are parties to that certain First Lien Pledge and Security Agreement, dated as of September 4, 2019 (as it may be from time to time amended, restated, amended and restated, replaced, supplemented or otherwise modified, the “Security Agreement”), in favor of the Collateral Agent pursuant to which Grantors granted to the Secured Parties a security interest in and continuing lien on, certain intellectual property rights owned by the Grantors and pursuant to which Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, and to induce the Lenders to make their respective extensions of credit to the Borrower thereunder, Grantors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Grantors hereby pledge and grant to the Collateral Agent for itself and the ratable benefit of the Secured Parties a continuing lien on and security interest in and to all of its right, title and interest in, to and under (a) all Trademarks owned by or exclusively licensed to Grantors, including but not limited to the Trademarks listed on Schedule I attached hereto (excluding any “intent-to-use” trademark application filed with the USPTO prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law); (b) all extensions or renewals of any of the foregoing; (c) all of the goodwill of the business connected with the use of and symbolized by the foregoing; (d) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill and (e) all Proceeds of the foregoing, including without limitation, licenses, royalties, income, payments, claims, damages and proceeds of suit (collectively, the “Trademark Collateral”).

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement, and should not be deemed to grant a broader security interest in the Trademark Collateral than what is granted by the Grantors to the Collateral Agent in the Security Agreement. Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement (and are expressly subject to the terms and conditions thereof), the terms and provisions of which are incorporated by reference as if fully set forth herein. In the event that any

provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with its terms, the Collateral Agent shall execute, acknowledge and deliver to Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 6. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

**[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]**

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
