NOW, THEREFORE, in consideration of the foregoing premises and the mutual promises set for herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Assignor hereby assigns, transfers and conveys to Assignee, its successors, legal representatives and assigns, and Assignee hereby assumes such assignment of, all of Assignor's rights, titles and interests in and to and under the Marks solely within the United States of America, including without limitation the registrations identified on Schedule 1, together with the goodwill appertaining thereto.

Assignee hereby accepts and assumes all such right, title and interest as well as all liabilities, burdens and obligations of Assignor under the License Agreement and agrees to observe and perform all duties, terms, obligations, provisions and covenants of Assignor under the License Agreement.

4. Assignor hereby agrees to authorize the Commissioner of Patents and Trademarks of the United States of America to record the title of Assignee, its successors, legal representatives and assigns, as owner of all rights, titles and interests in and to the Marks, together with all goodwill symbolized by the Marks, within the United States of America, and to issue the Certificates of Registration resulting from any such application for registration of the Marks or renewal of any existing registration of the Marks to Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment.
