3. Representations and Warranties. Grantor hereby represents and warrants to Grantee, which representations and warranties shall survive the execution and delivery of this IP Security Agreement, that:

(i) None of the issued patents, patent applications, registered trademarks, trademark applications, registered copyrights or copyright applications necessary for the operation of the Grantor’s business (collectively, the “**Material Registered Intellectual Property**”) has been adjudged invalid or unenforceable nor has any such Material Registered Intellectual Property been cancelled (except for those denoted as lapsed or abandoned as set forth in the Exhibits), in whole or in part, and each such Material Registered Intellectual Property is presently subsisting (except for those denoted as lapsed or abandoned as set forth in the Exhibits);

(ii) None of the Intellectual Property necessary for the operation of the Grantor’s business (collectively, the “**Material Intellectual Property**”) infringes upon the rights or property of any other Person or is currently being challenged in any way;

(iii) There are no pending or, to the knowledge of the Grantor, threatened claims, litigation, proceedings or other investigations regarding any of the Material Intellectual Property;

(iv) Each of the Material Intellectual Property (except for those denoted as lapsed or abandoned as set forth in the Exhibits) is valid and enforceable, and the Grantor has

adopted adequate precautions to protect its Trade Secrets necessary for the operation of Grantor's business (collectively, "**Material Trade Secrets**") from unauthorized or accidental disclosure;

(v) Except as permitted under the Securities Purchase Agreement, Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to the Material Registered Intellectual Property, free and clear of any liens, security interests, mortgages, charges and encumbrances, including, without limitation, licenses, consent-to-use agreements, shop rights and covenants by Grantor not to sue third Persons (except as set forth in Exhibit B);

(vi) Grantor has adopted, used and is currently using all of the Trademarks necessary for the operation of the Grantor's business (collectively, "**Material Trademarks**"), and, to the knowledge of Grantor, Grantor's use thereof does not infringe the intellectual property rights of any person or entity;

(vii) Grantor has no written notice or knowledge of any suits or actions commenced or threatened with reference to or in connection with any of the Material Intellectual Property;

(viii) Grantor has the unqualified right to execute and deliver this IP Security Agreement and perform its terms, this IP Security Agreement has been executed and delivered by a duly authorized officer or manager of Grantor, and this IP Security Agreement is a legally enforceable obligation of Grantor except to the extent that such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the rights of creditors generally, or by general principles of equity;

(ix) To the Grantor's knowledge, no trademark opposition or cancellation proceedings have been filed in the prior three years with the United States Patent and Trademark Office against any of the Material Trademarks; and

(x) The Licenses necessary for the operation of the Grantor's business (collectively, the "**Material Licenses**"), complete copies of which have been provided to Grantor, are valid and binding agreements, enforceable in accordance with their terms (subject, as to the enforcement of remedies, to applicable bankruptcy, reorganization, insolvency and similar laws from time to time in effect and general principles of equity). Each of the Material Licenses is in full force and effect and has not been amended or abrogated and to the Grantor's knowledge, there is no material default under any of the Licenses.

4. Restrictions on Future Agreements. Except as otherwise permitted pursuant to the Securities Purchase Agreement, Grantor agrees that until all Obligations shall have been satisfied and paid in full and the Securities Purchase Agreement shall have been terminated, Grantor shall not, without the prior written consent of Grantee, sell, transfer, mortgage, convey, dispose, encumber or assign any or all of, or grant any license or sublicense under the Material Intellectual Property, or enter into any other agreement with respect to the Material Intellectual Property, and Grantor further agrees that it shall not knowingly take any action or knowingly permit any action to be taken by others subject to its control, including, without limitation,

licensees or sublicensees, or knowingly fail to take any action, which would materially adversely affect the validity or enforcement of the rights Grantee with respect to Material Intellectual Property subject to this IP Security Agreement, other than in the ordinary course of business.

5. New Intellectual Property. Grantor hereby represents and warrants to Grantee that the Intellectual Property listed on Exhibits A, B and D, respectively, constitute all of the Material Registered Intellectual Property now owned by Grantor. Grantor hereby represents and warrants to Grantee that the Intellectual Property listed on Exhibit C constitute all of the Material Licenses now owned by Grantor. If, before all Obligations shall have been satisfied in full or before the Securities Purchase Agreement has been terminated, Grantor shall (i) become aware of any existing Material Registered Intellectual Property of which Grantor has not previously informed Grantee, (ii) obtain rights to any Material Registered Intellectual Property, or (iii) become entitled to the benefit of any Material Intellectual Property which benefit is not in existence on the date hereof, the provisions of this IP Security Agreement above shall automatically apply thereto and Grantor shall give to Grantee written notice thereof with each Compliance Certificate delivered by Grantor to Grantee pursuant to the Securities Purchase Agreement. Grantor hereby authorizes Grantee to modify this IP Security Agreement by amending Exhibits A, B, C, and D, as applicable, to include any such Material Intellectual Property, and Grantee may file or refile this IP Security Agreement with the U.S Patent and Trademark Office and U.S. Copyright Office. Grantor agrees to execute and deliver any and all documents and instruments reasonable necessary to record or preserve Grantee's interest in all Material Intellectual Property added to Exhibits A, B, C, and D pursuant to this Section.

6. Royalties; Terms; Rights Upon Default. The term of this IP Security Agreement shall extend until the earlier of (i) the expiration of all of the respective Material Intellectual Property collaterally assigned hereunder, and (ii) the payment in full of all Obligations and the termination of the Securities Purchase Agreement. Grantor agrees that upon the occurrence and during the continuance of an Event of Default, the use by Grantee of all Material Intellectual Property shall be worldwide and as extensive as the rights of Grantor to use such Material Intellectual Property, and without any liability for royalties or other related charges from Grantee to Grantor, solely for the purpose of completing production of, advertising for sale and selling any Material Intellectual Property.

7. Grantee's Right to Inspect; Trademark Quality Control. To the extent permitted by the Securities Purchase Agreement, Grantee shall have the right, from time to time during normal business hours to inspect Grantor's premises and to examine Grantor's books, records and operations, including, without limitation, Grantor's quality control processes. Grantor agrees (i) to maintain the quality of any and all products in connection with which the Material Trademarks are used, consistent with the quality of said products (as determined by Grantor in its commercially reasonable business judgment) and (ii) to provide Grantee, upon Grantee's reasonable request from time to time, with a certificate of an officer of Grantor certifying Grantor's compliance with the foregoing.

8. Release of IP Security Agreement. Upon the payment in full of the Obligations (other than contingent indemnification Obligations) and the termination of any commitment to extend any financial accommodations under the Securities Purchase Agreement, this IP Security

Agreement shall terminate, and Grantee shall execute and deliver such documents and instruments and take such further action reasonably requested by Grantor, at Grantor's expense, as shall be necessary to evidence termination of the security interest granted by Grantor to Grantee hereunder.

9. Expenses. All reasonable costs and expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne by Grantor. All reasonable fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' and paralegals' fees and legal expenses, incurred by Grantee in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise in protecting, maintaining or preserving the Material Intellectual Property, or in defending or prosecuting any actions or proceedings arising out of or related to the Material Intellectual Property, shall be borne by and paid by Grantor on demand by Grantee and if not paid within five (5) Business Days, shall bear interest at the default rate of interest set forth in the Securities Purchase Agreement.

10. Duties of Grantor. Grantor shall have the duty to the extent commercially reasonable and in Grantor's good faith business judgment, desirable: (i) to file and prosecute diligently any patent, trademark or service mark applications pending as of the date hereof or hereafter until all Obligations (other than contingent indemnification Obligations) shall have been paid in full and the Securities Purchase Agreement has been terminated, (ii) except as otherwise provided in the Securities Purchase Agreement, to preserve and maintain all rights in the Material Intellectual Property (including, but not limited to, with respect to Material Trademarks, the filing of affidavits of use and, incontestability, where applicable, under §§8 and 15 of the Lanham Act (15 U.S.C. § 1058, 1065) and renewals and, to the extent commercially reasonable, initiating opposition or cancellation proceedings or litigation against users of the same or confusingly similar marks who seriously threaten the validity or rights of Grantor in its Material Trademarks), and (iii) to ensure that the Material Registered Intellectual Property is and remains enforceable. Grantor shall not knowingly or unreasonably abandon any right to file a material patent, trademark or service mark application, or abandon any pending patent application, or any other Material Intellectual Property, unless Grantor, in the exercise of its commercially reasonable business judgment determines that such abandonment will not materially and adversely affect its business.

11. Grantee's Right to Sue. Upon the occurrence and during the continuance of an Event of Default, Grantee shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Intellectual Property, only after Grantee has tendered notice to Grantor of Grantee's desire to initiate such suit and Grantor has declined in writing to itself pursue such suit, and, if Grantee shall commence any such suit, Grantor shall, at the request of Grantee, do any and all lawful acts and execute any and all proper documents and instruments reasonably required by Grantee in aid of such enforcement.

12. Waivers. No course of dealing between Grantor and Grantee, nor any failure to exercise, nor any delay in exercising, on the part of Grantee, any right, power or privilege hereunder or under the Securities Purchase Agreement shall operate as a waiver thereof; nor shall

any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

13. Severability. The provisions of this IP Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this IP Security Agreement in any jurisdiction.

14. Modification. This IP Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the Grantor and the Grantee.

15. Cumulative Remedies; Power of Attorney; Effect on Securities Purchase Agreement. All of Grantee's rights and remedies with respect to the Intellectual Property, whether established hereby or by the Securities Purchase Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Grantor hereby authorizes Grantee upon the occurrence and during the continuance of an Event of Default, to make, constitute and appoint any officer or agent of Grantee as Grantee may select, in its sole discretion, as Grantor's true and lawful attorney-in-fact, with power to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Grantee in the use of the Intellectual Property, or (ii) take any other actions with respect to the Material Intellectual Property as Grantee deems in its commercially reasonable judgment to be in the best interest of Grantee, or (iii) grant or issue any exclusive or non-exclusive license under the Intellectual Property to any person or entity, or (iv) assign, pledge, sell, convey or otherwise transfer title in or dispose of any of the Intellectual Property to any person or entity. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney being coupled with an interest shall be irrevocable until all Obligations shall have been paid in full (other than contingent indemnification Obligations) and the Securities Purchase Agreement has been terminated. Grantor acknowledges and agrees that this IP Security Agreement is not intended to limit or restrict in any way the rights and remedies of Grantee under the Securities Purchase Agreement but rather is intended to facilitate the exercise of such rights and remedies. Grantee shall have, in addition to all other rights and remedies given it by the terms of this IP Security Agreement and the Securities Purchase Agreement, all rights and remedies allowed by law, in equity, and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in Kansas.

16. Binding Effect; Benefits. This IP Security Agreement shall be binding upon Grantor and its respective successors and assigns, and shall inure to the benefit of Grantee, its successors, nominees and assigns; provided, however, Grantor shall not assign this IP Security Agreement or any of Grantor's Obligations hereunder without the prior written consent of Grantee.

17. Governing Law. This IP Security Agreement shall be governed by, enforced and construed in accordance with the internal laws of the State of Kansas, without regard to choice of law or conflict of law principles.

18. Headings; Counterparts. Paragraph headings used herein are for convenience only and shall not modify the provisions which they precede. This IP Security Agreement may be signed in one or more counterparts, but all of such counterparts shall constitute and be deemed to be one and the same instrument. Any fax signature shall be deemed to be as legally enforceable and effective as a signed original.

19. Further Assurances. Grantor agrees to execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Grantee shall reasonably request from time to time in order to carry out the purpose of this IP Security Agreement and agreements set forth herein. Grantor acknowledges that a copy of this IP Security Agreement will be filed by the Grantee with the United States Patent and Trademark Office and, if applicable, the United States Copyright Office, at the sole cost and expense of Grantor.

20. Survival of Representations. All representations and warranties of Grantor contained in this IP Security Agreement shall survive the execution and delivery of this IP Security Agreement and shall be remade on the date of each borrowing under the Securities Purchase Agreement.

21. Foreign Patents, Copyrights and Trademarks. Upon the occurrence and during the continuance of an Event of Default, at the request of Grantee and at the sole cost and expense (including, without limitation, reasonable attorneys' fees) of Grantor, Grantor shall take all actions and execute and deliver any and all instruments, agreements, assignments, certificates and/or documents, reasonably required by Grantee to collaterally assign any and all of Grantor's foreign patent, copyright and trademark registrations and applications now owned or hereafter acquired to and in favor of Grantee. Upon the execution and delivery of any such collateral assignments or documents, the terms "Patents", "Copyrights", and "Trademarks" as used herein shall automatically be deemed amended to include such foreign patent, copyright and trademark registrations and applications without any action required by any person or entity.

22. Amendment and Restatement. This Agreement amends and restates that certain Intellectual Property Security Agreement entered into by WS Acquisition, LLC and Grantee on February 28, 2018, as amended.

23. Venue: Jury Trial Waiver.

(i) THE PARTIES AGREE THAT ALL ACTIONS OR PROCEEDINGS ARISING IN CONNECTION WITH THIS IP SECURITY AGREEMENT SHALL BE TRIED AND LITIGATED ONLY IN THE STATE AND FEDERAL COURTS LOCATED IN THE COUNTY OF JOHNSON, STATE OF KANSAS OR, AT THE SOLE OPTION OF GRANTEE, IN ANY OTHER COURT IN WHICH GRANTEE SHALL INITIATE LEGAL OR EQUITABLE PROCEEDINGS AND WHICH HAS SUBJECT MATTER JURISDICTION OVER THE MATTER IN CONTROVERSY.

(ii) TO THE FULLEST EXTENT PERMITTED BY LAW, AND AS SEPARATELY BARGAINED FOR CONSIDERATION TO GRANTEE, GRANTOR HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY (WHICH GRANTEE ALSO WAIVES) IN ANY ACTION, SUIT, PROCEEDING OR COUNTERCLAIM OF ANY KIND ARISING OUT OF OR OTHERWISE RELATING TO THIS IP SECURITY AGREEMENT. GRANTOR HEREBY EXPRESSLY ACKNOWLEDGES THE INCLUSION OF THIS JURY TRIAL WAIVER AND ACKNOWLEDGES THAT IT HAS HAD THE OPPORTUNITY TO CONSULT WITH INDEPENDENT LEGAL COUNSEL REGARDING ITS MEANING.

24. Entire Agreement. THIS AGREEMENT, THE SECURITIES PURCHASE AGREEMENT, AND THE OTHER FINANCING AGREEMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.
