ASSIGNMENT OF SECURITY INTEREST IN COLLATERAL

ASSIGNMENT OF SECURITY INTEREST IN COLLATERAL (this "Assignment") dated as of September 11, 2019, from CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH as collateral agent for the Secured Parties (in such capacity, the "Existing Agent"), to CORTLAND PRODUCTS CORP., as the successor collateral agent for the Secured Parties (together with its successors and assigns, the "Successor Agent"), with an address of 225 W. Washington Street, 9th Floor Chicago, IL 60606.

W I T N E S S E T H

WHEREAS, pursuant to that certain Grant of Security Interest in United States Trademarks, dated as of February 13, 2014 by the Grantors party thereto in favor of the Existing Agent, recorded with the United States Patent and Trademark Office on March 21, 2014 at (i) Reel 5241, Frame 0394 and (ii) Reel 5241, Frame 0426 (collectively the "Trademark Security Agreement"), the Grantors granted a security interest to the Existing Agent for the ratable benefit of the Secured Parties in the following (the "Collateral"):

(i) all United States trademarks, service marks, domain names, trade dress, logos, designs, slogans, trade names, business names, corporate names and other source identifiers, whether registered or unregistered (provided that no security interest shall be granted in United States intent-to-use trademark applications solely to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law) set forth in Schedule B hereto, and all common-law rights related thereto, together, in each case, with the goodwill symbolized thereby (the "Trademarks");

(ii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(iii) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(iv) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

For the avoidance of doubt, the term "Collateral" includes, without limitation, those items listed on Schedule A hereto.

WHEREAS, the Existing Agent has assigned all of its rights, powers, and privileges as Collateral Agent under the Trademark Security Agreement to the Successor Agent; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and upon the terms set forth in this Assignment, the Existing Agent hereby acknowledges and agrees as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Assignment, have the meanings provided or provided by reference in the Trademark Security Agreement.

2. Assignment of Security Interest. The Existing Agent hereby assigns all of its rights, powers, and privileges under the Trademark Security Agreement, including those with respect to the Collateral, to the Successor Agent.

3. Further Assurances. The Existing Agent hereby agrees to duly execute, acknowledge, procure, and deliver any further documents and to do such other acts as may be reasonably necessary to effect this Assignment.

4. Recordation. The Existing Agent authorizes and requests that the Commissioner for Trademarks and any other applicable government officer or relevant governmental authority record this Assignment.

5. Execution in Counterparts. This Assignment may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

6. Governing Law. This Assignment shall be governed by, and construed in accordance with, the laws of the State of New York.

[Signature Page Follows]

IN WITNESS WHEREOF, the undersigned has executed this Assignment by its
duly authorized officer as of the date first written above,

EXISTING AGENT:

CREDIT SUISSE AG, CAYMAN
