ASSIGNMENT OF INTELLECTUAL PROPERTY

This **ASSIGNMENT OF INTELLECTUAL PROPERTY** (this “IP Assignment”), dated September 10, 2019, is made and delivered by and between (i) Scripps Media, Inc., a Delaware corporation (“Assignor”) and (ii) Literally Media, Ltd., an Israel corporation (“Assignee”), pursuant to that certain Asset Purchase Agreement, dated September 10, 2019 (the “Purchase Agreement”), by and between Assignor and Assignee. Capitalized terms used in this IP Assignment and not otherwise defined herein shall have the meanings given to such terms in the Purchase Agreement.

WHEREAS, in connection with the Closing, Assignor desires to transfer and assign to Assignee all of Assignor’s right, title and interest in and to the Intellectual Property included in the Purchased Assets (the “Assigned IP”), pursuant to the Purchase Agreement.

NOW, THEREFORE, pursuant to the Purchase Agreement and for the consideration set forth therein, the receipt and sufficiency of which are hereby acknowledged and confirmed, the parties hereto agree as follows:

1. Assignment. Effective as of 11:59 p.m. PDT on the Closing Date, Assignor hereby sells, assigns, transfers, and delivers to Assignee any and all worldwide right, title and interest Assignor holds, in each case free and clear of all Encumbrances, in and to (i) the Assigned IP, the same to be used and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors and assigns to the end of the term or terms for which the Assigned IP are granted or reissued or extended, (ii) all income, royalties, fees, payments and other proceeds now or hereafter due or payable with respect to any of the Assigned IP and (iii) all claims and causes of action with respect to any of the Assigned IP, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages. The Assigned IP includes, without limitation, the following: (a) the patents and patent applications, if any, set forth in Schedule 1 hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations and renewals thereof; (b) the trademark registrations and applications set forth in Schedule 2 hereto and all issuances, extensions and renewals thereof, together with the goodwill connected with the use of and symbolized thereby; provided that, with respect to the United States intent-to-use trademark applications set forth on Schedule 2 hereto, if any, the transfer of such applications accompanies, pursuant to the Purchase Agreement, the transfer of Seller’s business, or portion of the business to which the trademark pertains, and that business is ongoing and existing; and (c) the copyright registrations, applications for registration and exclusive copyright licenses (if any) set forth in Schedule 3 hereto and all issuances, extensions and renewals thereof.

2. Terms of the Purchase Agreement. The parties hereto acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

3. Recordation. The parties hereto hereby request and authorize the relevant authority at the United States Patent and Trademark Office, the United States Copyright Office, applicable domain name

registrars and/or the applicable authorities or agencies for any other applicable jurisdiction to record Assignee as the assignee and owner of the Assigned IP.

4. Successors and Assigns. This IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

5. Governing Law. This IP Assignment shall be governed by and construed in accordance with the Laws of the State of New York without giving effect to conflict of laws principles that would result in the application of the law of any other state.

6. Counterparts: Effectiveness. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. Delivery of an executed counterpart of this IP Assignment by facsimile or e-mail shall be deemed to have the same legal effect as delivery of a manually executed counterpart of this IP Assignment.

IN WITNESS WHEREOF, Assignee and Assignor have executed this Assignment of Intellectual Property as of the date first set forth above.
