ASSIGNMENT AND ASSUMPTION OF INTELLECTUAL PROPERTY

THIS ASSIGNMENT AND ASSUMPTION OF INTELLECTUAL PROPERTY (this "Assignment") is entered into effective August 16, 2019, by and among Akumin Imaging Texas, LLC ("Assignee") and Southwest X-Ray, LP ("Assignor"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed thereto in that certain Asset Purchase Agreement, dated as of August 2, 2019, by and among Assignors and Assignee, among others (the "Purchase Agreement").

RECITALS:

A. Pursuant to the Purchase Agreement, Assignor has agreed to assign to the Assignee all of the Assignor's rights, title and interest in, and all of the rights, benefits and advantages of Assignor derived from the Intellectual Property set forth in Schedule A hereto (the "**Purchased Intellectual Property**") as at and from the date of this Assignment, and Assignee has agreed to assume, perform and discharge all of the duties, obligations and liabilities of Assignor in respect of the Purchased Intellectual Property relating to the period commencing on and after the date of this Assignment, in each case on and subject to the terms and conditions hereinafter set forth.

B. The parties hereto are entering into this Assignment to satisfy a condition to the Closing of the transactions contemplated by the Purchase Agreement.

IN CONSIDERATION of the foregoing premises, the mutual covenants and other agreements set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

Section 1 Assignment. Assignor hereby assigns, transfers, conveys and makes over absolutely to Assignee, effective as, at and from the Effective Time, all of such Assignor's right, title and interest in, and all of the rights, benefits and advantages of such Assignor derived from the Purchased Intellectual Property

Section 2 Assumption. Assignee hereby assumes, as, at and from the Effective Time, all of Assignor's duties, obligations and liabilities in respect of the Purchased Intellectual Property to the extent they relate to the period commencing on and after the Effective Time and are to be observed, performed or discharged on or after the Effective Time.

Section 3 Indemnification by Assignor. Assignor shall indemnify and save Assignee harmless from any and all costs, claims, expenses, losses, liabilities and damages incurred, suffered or sustained by Assignee in connection with the non-observance and/or non-performance by Assignor of any of their duties, obligations and/or liabilities in respect of the Purchased Intellectual Property prior to the Effective Time.

Section 4 Indemnification by Assignee. Assignee shall indemnify and save Assignor harmless from any and all costs, claims, expenses, losses, liabilities and damages incurred, suffered or sustained by Assignor in connection with the non-observance and/or non-performance by Assignee of any of its duties, obligations and/or liabilities in respect of the Purchased Intellectual Property as and from the Effective Time.

Section 5 Irrevocable Assignment. Assignor's assignment and Assignee's assumption pursuant to this Assignment are made for good and valuable consideration, the receipt and sufficiency of which are acknowledged, and are coupled with an interest; therefore, the assignment and assumption contained herein are irrevocable.

Section 6 Remedies. Assignor's and Assignee's remedies with respect to any claim arising from a breach of this Assignment shall be as set forth in the Purchase Agreement.

Section 7 Entire Agreement. This Assignment supersedes any and all prior agreements, either oral or written, between the parties with respect to the subject matter of this Assignment (including any term sheet or similar agreement or document relating to the transaction contemplated hereby) other than any such agreements included in the Purchase Agreement. This Assignment, together with the Purchase Agreement, constitutes the entire agreement between the parties with respect to the subject matter hereof.

Section 8 Waiver. Any term or condition of this Assignment may be waived at any time by the party which is entitled to the benefit thereof. Any such waiver must be in writing and must be duly executed by such party. A waiver on one occasion shall not be deemed to be a waiver of the same or any other breach, provision or requirement on any other occasion.

Section 9 Amendment. This Assignment may be modified or amended only by a written instrument duly executed by each of the parties hereto.

Section 10 Counterparts and Facsimile Signatures. This Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement, binding on all of the parties hereto. Facsimile signatures on this Assignment shall be deemed to be original signatures for all purposes.

Section 11 No Third Party Beneficiary. The terms and provisions of this Assignment are intended solely for the benefit of the parties hereto and their respective permitted successors and assigns, and it is not the intention of the parties to confer third party beneficiary rights upon any other Person or entity.

Section 12 Binding Effect. This Assignment shall be binding upon and will inure to the benefit of the parties and their respective permitted successors and assigns.

Section 13 Governing Law. The parties agree that this Assignment shall be governed by and construed in accordance with the Laws of the State of Texas without giving effect to any choice or conflicts of law provision or rule thereof. EACH PARTY ABSOLUTELY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY AND ALL RIGHTS TO TRIAL BY JURY IN CONNECTION WITH ANY PROCEEDING ARISING OUT OF OR RELATING TO THIS ASSIGNMENT.

Section 14 Construction. Wherever from the context it appears appropriate, each term stated in either the singular or the plural shall include the singular and the plural, and pronouns stated in the masculine, the feminine or the neuter gender shall include the masculine, feminine and neuter. No provision of this Assignment shall be interpreted for or against either

party hereto on the basis that such party was the draftsman of such provision, each party having participated equally in the drafting hereof, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Assignment.

Section 15 Headings. The headings used in this Assignment have been inserted for convenience and do not constitute provisions to be construed or interpreted in connection with this Assignment.

Section 16 Severability; Invalid Provisions. If any provision of this Assignment is held to be illegal, invalid or unenforceable under any present or future Law and if the rights or obligations of Assignor or Assignee under this Assignment will not be materially and adversely affected thereby, (a) such provision will be fully severable, (b) this Assignment will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, (c) the remaining provisions of this Assignment will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom; and (d) in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Assignment a legal, valid and enforceable provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible.

Section 17 Conflicts Between Agreements. This Assignment is made pursuant to the Purchase Agreement and is subject to the terms and conditions thereof. If any conflicts exist between this Assignment and the Purchase Agreement, the Purchase Agreement shall control.

Section 18 Successors and Assigns. This Assignment and the terms and provisions hereof shall inure to the benefit of, and shall be binding upon, the respective successors and assigns of Assignors and Assignee.
