ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Assignment"), retroactively effective as of November 6, 2017, is made and entered into by and between Inside Secure, a French *société anonyme*, ("Assignee") and SypherMedia International, Inc., a California corporation ("Assignor").

A. Assignor and Assignee, together with other parties, entered into that certain Asset Purchase Agreement, dated October 27, 2017 (the "Purchase Agreement"), pursuant to which Assignee has agreed to purchase, among other things, the Trademarks and appurtenant goodwill owned by Assignor and used or held for use in, or necessary for the conduct of, the Business, including those set forth on Exhibit A hereto ("Acquired Trademarks").

B. Assignor is the owner of each of the Acquired Trademarks and appurtenant goodwill of the business symbolized by said trademark.

C. Assignor is desirous of assigning to Assignee all of Assignor's right, title, and interest in and to the Acquired Trademarks and appurtenant goodwill, and Assignee is desirous of acquiring all of Assignor's right, title, and interest in and to the Acquired Trademarks.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Assignment. Upon the Effective Date, Assignor hereby sells, transfers, assigns, conveys and delivers to Assignee, and Assignee hereby accepts, all of Assignor's right, title and interest in and to the Acquired Trademarks, together with the goodwill connected with the use of and symbolized by the Acquired Trademarks and the registrations thereof, including all rights conferred by the Acquired Trademarks provided by international conventions and treaties, all rights of renewals, and all rights to sue and recover damages for past, present and future infringement, dilution, misappropriation, unlawful imitation or other violation thereof or conflict therewith.

2. Further Assurances. (a) Assignor will timely execute and deliver any additional documents and perform such additional acts that may be necessary or desirable to assist Assignee (or its successors, assigns or legal representatives) in the implementation, recordation or perfection of this Assignment and Assignee's interest in and to the Acquired Trademarks. (b) If Assignee is unable for any reason to secure Assignor's signature to any document it is entitled to under Paragraph (a) hereof, Assignor hereby irrevocably designates and appoints Assignee, and Assignee's duly authorized officers, agents and representatives, as its agents and attorneys-in-fact with full power of substitution to act for and on the behalf and instead of Assignor, to execute and file any such document or documents and to do all other lawfully permitted acts to further the purposes of this Assignment with the same legal force and effect as if executed by Assignor.

NAI-1503154094.v2

3. Due Authorization. Assignor hereby authorizes and requests the Office of the Commissioner for Trademarks of the United States and any other official of any applicable Governmental Authority to issue any and all registrations from any and all applications for registration included in the Acquired Trademarks to and in the name of Assignee.

4. Governing Law. This Assignment will be governed by and construed and enforced in accordance with the laws of the State of California, without regard to principles of conflicts of law.

5. Counterparts. This Agreement may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed will be deemed to be an original but all of which taken together will constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopy or by electronic delivery in Adobe Portable Document Format or other electronic format based on common standards, including any electronic signature complying with the U.S. federal E-SIGN Act of 2000, and any counterpart so delivered will be deemed to have been duly and validly delivered and be valid and effective for all purposes.

Each party has caused this Assignment to be executed by its duly authorized representative.
