WITNESSETH:

WHEREAS, in that certain Asset Purchase Agreement by and between the Assignor and the Assignee dated as of the Effective Date (the "APA"), the Assignor has agreed to sell, transfer, assign, convey and deliver to the Assignee, and the Assignee has agreed to purchase from the Assignor, free and clear of all Encumbrances (except for Permitted Encumbrances), all of the Assignor's right, title and interest in, to and under the Purchased Assets; and

WHEREAS, pursuant to the APA, the Assignor hereby agrees to sell, assign, transfer, convey and deliver to the Assignee, and the Assignee hereby agrees to purchase from the Assignor, all of the Assignor's right, title and interest in, to and under all of the Assignor's trademarks listed in Schedule 1 hereto, together with all goodwill of any business (which is ongoing and existing) associated therewith, and all applications, registrations and renewals in connection therewith (the "Trademarks").

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements contained herein and in the APA, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties to this Agreement agree as follows:

Section 1. Assignment. The Assignor hereby sells, transfers, assigns, conveys and delivers to the Assignee, and the Assignee hereby purchases from the Assignor, all of the Assignor's worldwide right, title and interest in, to and under the Trademarks, together with all common law rights thereto, all right to claim priority in accordance with international treaties and conventions, the right to all income, royalties, damages and payments hereafter due or payable with respect to the Trademarks, the right to register, prosecute, maintain and defend the Trademarks before any public or private agency, office or registrar, and all claims, causes of action and rights to sue for past, present and future infringement or unconsented use of the Trademarks.

Section 2. Further Assurances. This Agreement has been executed and delivered by the Assignor for the purpose of recording the assignment herein with the United States Patent and Trademark Office and the corresponding entities or agencies in any applicable foreign countries or multinational authorities. The Assignor agrees that any time or from time to time, upon the reasonable request of the Assignee, the Assignor shall, at the sole cost and expense of the Assignee, do, execute, acknowledge and deliver all such further acts, assurances, deeds, assignments, transfers, conveyances and other documents, instruments

and papers as may be reasonably requested to perfect, protect, secure or more fully evidence the Assignee's right, title and interest in, to and under the Trademarks, or to enable the Assignee (or any agent or designee of any of the foregoing) to exercise or enforce any of its rights hereunder, including reasonable cooperation and assistance in the prosecution or defense of any proceeding that may arise in connection with any of the rights assigned hereby and any other forms of assignment to record evidence of the transfer of the Trademarks in any jurisdiction anywhere throughout the world.

Section 3. Governing Law. This Agreement and any claim or controversy hereunder shall be governed by and construed in accordance with the Laws of the State of New York without giving effect to the principles of conflict of Laws thereof.
