TRADEMARK SECURITY ASSIGNMENT AGREEMENT

This Trademark Security Assignment Agreement (this "IP Security Assignment Agreement"), dated as of September 18, 2019, is made by and between Patriarch Partners Agency Services, LLC, in its capacity as agent pursuant to the Loan Agreement (as defined below), as assignor (the "Assignor"), and Seacoast Business Funding, a division of Seacoast National Bank, in its capacity as successor agent (the "Assignee") to reflect the assignment effected by the Assignment Agreement (as defined below) on September 11, 2019 and serve as a record for the purpose of recording with the United States Patent and Trademark Office.

WHEREAS, Snelling Staffing, LLC ("Staffing"), Snelling Employment, LLC ("Employment"), Snelling Medical Staffing, LLC ("Medical"), Snelling Services, LLC ("Services"), and Wells Fargo Bank, National Association ("Wells") entered into a Loan and Security Agreement dated as of February 23, 2012 (as amended, supplemented or otherwise modified from time to time, the "Loan Agreement"), pursuant to which Employment and Medical, as borrowers, could borrow up to \$20,000,000, and Staffing and Services, as guarantors, guaranteed such borrowings. Capitalized terms used and not otherwise defined in this IP Security Assignment Agreement shall have the meanings ascribed to them in the Loan Agreement.

WHEREAS, Staffing has entered into a Trademark Security Agreement dated as of February 23, 2012 (the "Security Agreement") with Wells, pursuant to which Staffing has granted to Wells a security interest (the "Security Interest") in, among other property, certain trademarks of Staffing as security for the obligations under the Loan Agreement, which was recorded in Reel 4723 at Frame 0349.

WHEREAS, Wells and Assignor have entered into a Trademark Security Assignment Agreement, dated as of September 12, 2019, pursuant to which Wells has assigned the Security Interest to the Assignor, which was recorded in Reel 6743 at Frame 0630.

WHEREAS, the Assignee, Ark Angels VIII, LLC, the Assignor, Staffing, Employment, Medical, and Services have entered into an Assignment Agreement dated as of September 11, 2019 (the "Assignment Agreement").

WHEREAS, under the terms of the Assignment Agreement, the Assignor has resigned as Agent under and in connection with the Loan Agreement, the Assignee has been appointed as successor Agent and has assumed and succeeded to all rights, powers, duties, and obligations of the Assignor as Agent under and in connection with the Loan Agreement, and the Assignor has agreed to execute and deliver this IP Security Assignment Agreement for recording with governmental authorities, including, but not limited to, the United States Patent and Trademark Office and the United States Copyright Office.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment of Security Interest. The Assignor hereby sells, transfers and assigns to the Assignee, and the Assignee hereby purchases, assumes and undertakes from the Assignor and without recourse and without representations or warranty of any kind, except as set forth under the Assignment Agreement, all right, title and interest of the Assignor in and to, and all rights, powers, obligations, liabilities and responsibilities of any kind, nature or description of the Assignor under or in connection with the Security Agreement, including, without limitation, all

rights in the Collateral (as defined in the Security Agreement, including, without limitation, the trademarks, terms, designs and applications described in Schedule 1 hereto).

2. Recordation. The Assignor authorizes the Commissioner for Patents, the Commissioner for Trademarks, the Register of Copyrights, and any other government officials to record and register this IP Security Assignment Agreement upon request by the Assignee.

3. Loan Documents. This IP Security Assignment Agreement has been entered into pursuant to and in conjunction with the Assignment Agreement, which is hereby incorporated by reference. The provisions of the Assignment Agreement shall supersede and control over any conflicting provision herein. The rights and remedies of the Assignee with respect to the Collateral (as defined in the Security Agreement) are more fully set forth in the Security Agreement, the Loan Agreement, and related documents, and nothing in this IP Security Assignment Agreement shall be deemed to limit such rights and remedies.

4. Execution in Counterparts. This IP Security Assignment Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this IP Security Assignment Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this IP Security Assignment Agreement.

5. Successors and Assigns. This IP Security Assignment Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. Amendment. No waiver, amendment or other variation of the terms, conditions or provisions of this IP Security Assignment Agreement whatsoever shall be valid unless in writing signed by the Assignee and the Assignor and then only to the extent in such writing as specifically set forth therein.

7. Governing Law. THIS IP SECURITY ASSIGNMENT AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK. The parties hereto each irrevocably submit to the non-exclusive jurisdiction of any State or Federal court sitting in New York County, New York over any suit, action or proceeding arising out of or relating to this IP Security Assignment Agreement and irrevocably agree that all claims in respect of such action or proceeding may be heard and determined in such New York State or Federal court. Each party to this IP Security Assignment Agreement hereby irrevocably waives, to the fullest extent it may effectively do so, the defense of an inconvenient forum to the maintenance of such action or proceeding.
