## ASSIGNMENT OF TRADEMARKS REGISTRATION NOS. 5447417 AND 5376625

This Assignment is entered into by and between Findex.com, Inc. (dba EcoSmart Surface & Coating Technologies), a Nevada Corporation (hereinafter "EcoSmart" or "Assignor") and Caribbean Energy Solutions, LLC (hereinafter "Caribbean" or Assignee"). The parties agree as follows:

Whereas, on June 6, 2018, EcoSmart and Caribbean entered into an Exclusive Distribution and Brand License Agreement ("Exclusive Agreement") for exclusive rights to sell EcoSmart's InfiniGard and InfiniGuard products in Puerto Rico, The Bahamas and The Island Nations of the Caribbean.

Whereas, on August 24, 2018, EcoSmart and Caribbean entered into an Amendment to Exclusive Distribution and Brand License Agreement ("Amended Exclusive Agreement") to grant Caribbean exclusive license rights in EcoSmart's intellectual property for HVAC exterior coatings in the United States of America and Mexico.

Whereas, EcoSmart was not in good standing with the department of state, division of corporations, of the State of Nevada as of the date of the Amended Exclusive Agreement.

Whereas, EcoSmart has since been properly reinstated with the department of state, division of corporations, of the State of Nevada and is, as of the date hereof, a Nevada corporation in good standing, with full powers of authority to enter into contracts and assign assets.

Whereas, the Parties wish to clarify the intent of the Amended Exclusive Agreement with respect to the trademark rights in the United States and Mexico.

1. **Assignment.** EcoSmart, as Assignor, hereby assigns transfers and conveys to Caribbean, as Assignee, all of its right, title and interest in and to United States Patent and Trademark Office ("USPTO") Registration No. 5447417 ("USPTO 5447417") and USPTO Registration No. 5376625 ("USPTO 5376625") (collectively the "Trademarks"). To the best of Assignor's knowledge, no consents are necessary to consummate such assignment.

2. **Clarification of Rights.** The rights to USPTO 5447417 and USPTO 5376625 include, without limitation, the right to sue for trademark infringement, including infringement that occurred prior to the Effective Date and execution date of this Assignment.

3. **Effect Upon Prior Agreements.** The Exclusive Agreement and Amended Exclusive Agreement are hereby affirmed and remain in full effect except insofar as either or both provide for anything that is inconsistent with the fact that, as of the date hereof, Caribbean owns the Trademarks and has the absolute right to bring a lawsuit against any infringer of the Trademarks without condition or approval of Assignor.

4. **Assumption.** Caribbean, as Assignee hereby accepts the assignment of USPTO 5447417 and USPTO 5376625, effective as of the "Effective Date" of this Assignment.

5. **Cooperation.** Assignor agrees to reasonably cooperate with Assignee, Assignee agrees to cooperate with Assignor, and each agrees to execute such additional documents as may be reasonably necessary to effectuate the assignment and assumption of the Trademarks referred to herein and make any necessary changes to their registration.

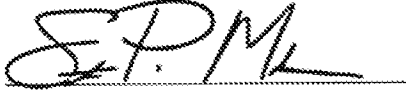

6. Successors. This Assignment of the Trademarks shall be binding upon the successors and assigns of each of the parties hereto.

7. Counterparts. This Assignment of Trademarks may be executed in several counterparts, and all such executed counterparts shall constitute the same agreement. It shall be necessary to account for only one such counterpart in proving this Assignment of Patents.

IN WITNESS WHEREOF, this Assignment of Trademarks shall be effective as of the 1<sup>st</sup> day of November, 2018 ("Effective Date").

Executed on: February 26, 2019.

Assignor:

Findex.com, Inc. dba  
EcoSmart Surface & Coating Technologies, Inc  
Steve Malone, President

Assignee:

Caribbean Energy Solutions, LLC  
Joe Nunes, Managing Partner
