WHEREAS, Borrower has requested, and Lender has agreed, to amend certain of the terms and conditions contained in the Existing Loan Agreement, pursuant, and subject, to the terms and conditions set forth in that certain Fourth Amendment to Loan and Security Agreement and Other Loan Documents dated as of September 20, 2018 (the “**Amendment**”; the Existing Loan Agreement, as amended by the Amendment, and as may be further amended, restated, supplemented or otherwise modified and in effect from time to time, the “**Loan Agreement**”; the Existing Financing Agreements, as amended by the Amendment, and as may be further amended, restated, supplemented or otherwise modified and in effect from time to time, the “**Financing Agreements**”);

WHEREAS, the parties wish to enter into this Security Agreement in order to amend and restate the Existing TM Security Agreement in its entirety; and

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Borrower agrees as follows:

1. Incorporation of Financing Agreements. The Financing Agreements and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Loan Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Obligations (as defined in the Loan Agreement), Borrower hereby grants to Lender, and hereby reaffirms its grant pursuant to the Financing Agreements of, a continuing security interest in Borrower’s entire right, title and interest in and to all of its now owned or existing and hereafter acquired or arising trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications (other than “intent to use” applications until a verified statement of use is filed with respect to such applications) in connection therewith, including, without limitation, the trademark registrations and applications listed on Schedule A attached hereto and made a part hereof and the trademarks, and renewals thereof, and all income, royalties, damages and payments now or hereafter due and/or payable under or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing and the right to sue for

past, present and future infringements of any of the foregoing (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the “**Trademarks**”); all rights corresponding to any of the foregoing throughout the world and the goodwill of the Borrower’s business connected with the use of and symbolized by the Trademarks.

3. Warranties and Representations. Borrower warrants and represents to Lender that:

(i) As of the date hereof, no Trademark has been adjudged invalid or unenforceable by a court of competent jurisdiction nor has any such Trademark been cancelled, in whole or in part and each such Trademark is presently subsisting;

(ii) To the knowledge of Borrower, all of the Trademarks listed on Schedule A are owned and controlled by Borrower as of the date hereof;

(iii) Borrower has absolute title to each Trademark identified on Schedule A, free and clear of all security interests, liens (other than Permitted Liens, if any), charges and encumbrances;

(iv) Except as set forth in the schedules to the Loan Agreement Borrower has no notice of any suits or actions commenced or threatened with reference to any Trademark; and

(v) Borrower (a) will have, at the time Borrower acquires ownership in Trademarks hereafter arising, absolute title to each such Trademark, free and clear of all security interests, liens (other than Permitted Liens, if any), charges and encumbrances, and (b) except for licenses entered hereafter in the ordinary course of business for fair consideration, will keep all Trademarks free and clear of all security interests, liens (other than Permitted Liens, if any), charges and encumbrances;

(vi) Borrower will not sell or otherwise dispose of any Trademark, or any interest therein, without Lender’s prior written consent, except for sales or dispositions of Trademarks that provide no material continuing benefit to Borrower so long as no Event of Default has occurred and is continuing and all of the proceeds thereof are paid to Lender for application to the Obligations (except for such proceeds which are required to be delivered to the holder of a Permitted Lien which is prior in right of payment);

(vii) Borrower will use its best efforts to protect and defend the Trademarks against claims or demands of all persons;

(viii) Borrower will maintain the Trademarks to the extent reasonably advisable in its business, including but not limited to, filing all applications to register or obtain Trademark registrations domestically and internationally and filing all affidavits and renewals; and

(ix) Borrower has the unqualified right to execute and deliver this Security Agreement and perform its terms.

4. Restrictions on Future Agreements. Except as otherwise set forth herein, Borrower agrees that until the Obligations shall have been Paid in Full, Borrower shall not, without the prior written consent of Lender, such consent not to be unreasonably withheld, sell or assign its interest in any Trademark or enter into any other agreement with respect to any Trademark which would affect the validity or enforcement of the rights transferred to Lender under this Security Agreement.

5. New Trademarks. Borrower represents and warrants that, based on a diligent investigation by Borrower, the Trademarks listed on Schedule A constitute all of the registered

Trademarks, and applications for registration of Trademarks (other than "intent to use" applications until a verified statement of use is filed with respect to such applications) now owned by Borrower. If, before the Obligations shall have been Paid in Full, Borrower shall (i) become aware of any existing Trademarks of which Borrower has not previously informed Lender, (ii) become entitled to the benefit of any Trademarks, which benefit is not in existence on the date hereof, or (iii) take any action to register (or re-register) or revive, renew, resuscitate or otherwise claim rights in or protect any abandoned, lapsed or dead trademark, the provisions of this Security Agreement above shall automatically apply thereto and Borrower shall give to Lender prompt written notice thereof. Borrower hereby authorizes Lender to modify this Security Agreement by amending Schedule A to include any such Trademarks. In addition, if any of the foregoing events under this Section 5 occurs with respect to any Subsidiary of Borrower, Borrower shall give to Lender prompt written notice thereof.

6. Term. The term of this Security Agreement shall extend until the Payment in Full of the Obligations. Borrower agrees that upon the occurrence and during the continuance of an Event of Default, the use by Lender of all Trademarks shall be without any liability for royalties or other related charges from Lender to Borrower.

7. Borrower's Use of Trademarks. Until otherwise notified by Lender following the occurrence and continuance of an Event of Default, Borrower shall be permitted to control and manage the Trademarks, including the right to exclude others from making, using or selling items covered by the Trademarks and any licenses thereunder, in the same manner and with the same effect as if this Security Agreement had not been entered into.

8. Product Quality. Borrower agrees to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable business practices. Upon the occurrence and continuance of an Event of Default, Borrower agrees that Lender, or a conservator appointed by Lender, shall have the right to establish such additional product quality controls as Lender, or said conservator, in its reasonable judgment, may deem necessary to assure maintenance of the quality of products sold by Borrower under the Trademarks.

9. Release of Security Agreement. This Security Agreement is made for collateral purposes only. Upon Payment in Full of the Obligations, Lender shall take such actions as may be necessary or proper to terminate the security interests created hereby and pursuant to the Financing Agreements

10. Expenses. All expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne by Borrower. All fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses, incurred by Lender in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or otherwise in protecting, maintaining or preserving the Trademarks or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks shall be borne by and paid by Borrower and until paid shall constitute Obligations.

11. Duties of Borrower. Borrower shall have the duty (i) to file and prosecute diligently, as commercially reasonable, any trademark applications pending as of the date hereof or hereafter until the Obligations shall have been Paid in Full, (ii) to preserve and maintain all rights in the Trademarks, as commercially reasonable and (iii) to ensure that the Trademarks are and remain enforceable, as commercially reasonable. Any expenses incurred in connection with Borrower's Obligations under this Section 11 shall be borne by Borrower.

12. Lender's Right to Sue. After the occurrence and during the continuance of an Event of Default, Lender shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Lender shall commence any such suit, Borrower shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents required by Lender in aid of such enforcement and Borrower shall promptly, upon demand, reimburse and indemnify Lender for all costs and expenses incurred by Lender in the exercise of its rights under this Section 12.

13. Waivers. No course of dealing between Borrower and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder or under the Financing Agreements shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

15. Modification. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

16. Cumulative Remedies; Power of Attorney; Effect on Financing Agreements. All of Lender's rights and remedies with respect to the Trademarks, whether established hereby or by the Financing Agreements, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Borrower hereby authorizes Lender upon the occurrence and during the continuance of an Event of Default, to make, constitute and appoint any officer or agent of Lender as Lender may select, in its sole discretion, as Borrower's true and lawful attorney-in-fact, with power to (i) endorse Borrower's name on all applications, documents, papers and instruments necessary or desirable for Lender in the use of the Trademarks or (ii) take any other actions with respect to the Trademarks as Lender deems to be in the best interest of Lender, or (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Borrower hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been Paid in Full. Borrower acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Financing Agreements but rather is intended to facilitate the exercise of such rights and remedies. Lender shall have, in addition to all other rights and remedies given it by the terms of this Security Agreement and the Financing Agreements, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in Illinois.

17. Binding Effect; Benefits. This Security Agreement shall be binding upon Borrower and its respective successors and assigns, and shall inure to the benefit of Lender, its successors, nominees and assigns.

18. Governing Law. This Security Agreement shall be governed by and construed in accordance with the laws of the State of Illinois and applicable federal law.

19. Headings. Paragraph headings used herein are for convenience only and shall not modify the provisions which they precede.

20. Further Assurances. Borrower agrees to execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Lender shall reasonably request from time to time in order to carry out the purpose of this Security Agreement and agreements set forth herein.

21. Survival of Representations. All representations and warranties of Borrower contained in this Security Agreement shall survive the execution and delivery of this Security Agreement and shall be remade on the date of each borrowing under the Financing Agreements.

22. Amendment and Restatement. This Security Agreement amends and restates in its entirety that certain Trademark Security Agreement dated as of December 22, 2015 made by Borrower in favor of Lender, as amended from time to time (the “**Existing TM Security Agreement**”) effective as of the date hereof. Nothing herein shall be construed as having the effect of terminating or releasing the liens and security interests granted pursuant to the Existing TM Security Agreement. Instead, it is the express intention of Borrower to reaffirm such grants as valid and enforceable security interests and liens which originally attached to the Trademarks pursuant to the Existing TM Security Agreement and are continuing in favor of Lender, for the benefit of itself and its successors, assigns and affiliates, under this Security Agreement. Neither the execution and delivery of this Security Agreement nor any of the terms hereof shall be deemed to adversely affect any of the liens, security interests, right and/or remedies in favor of Lender under the Existing TM Security Agreement, as amended and restated by this Security Agreement.
