TRADEMARK PURCHASE AGREEMENT AND ASSIGNMENT

This Trademark Purchase and Assignment Agreement (the "Agreement") is made as of September 22, 2019 ("Effective Date"), between Advanced Lighting Technologies, LLC ("Assignor"), and Rohay Marks LLC, a Texas limited liability company ("Assignee").

RECITALS

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in, to and under the United States trademark registration and application for EVER-START (Application Number: 85-730,974, date: 9/17/2012; Registration Number: 4,419,720, date: 10/15/2013), including any common law trademark rights therefor (the "trademark"); and

WHEREAS, Assignee wishes to acquire the Assignor's rights in the trademark listed in this agreement. Assignor and Assignee have agreed that Assignee will pay [REDACTED] and in exchange, Assignor agrees to assign Assignee all of Assignor's right, title and interest in and to the trademark, together with the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration paid by Assignee to Assignor, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, Assignor's entire right, title and interest in and to the trademark, together with the goodwill of the business relating to the products and services on which the trademark is used and for which it is registered, for the United States and for all foreign countries, including any renewals or extensions thereof that are or may be secured under the laws of the United States or foreign countries now or hereafter in effect and including the subject matter of all claims which may be obtained therefrom for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made; together with all income, royalties or payments due or payable as of the effective date of this Agreement or thereafter, including all claims for damages by reason of past, present or future infringement or other unauthorized use, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives,

Assignor represents that it has not received written notice and has no actual knowledge of any claims or litigation pending or threatened related to the trademark that might adversely affect Assignor's ability to sell, assign or transfer Assignor's interest in the trademark to Assignee.

Assignor hereby agrees to give, execute and/or deliver any document, notice, agreement or other evidence of assignment as may be reasonably necessary to evidence or effectuate the foregoing as of the Effective Date. Upon reasonable request on or after the Effective Date by Assignee, its successors or assigns, Assignor will promptly execute and/or deliver any such further documents necessary to register and perfect the interest of Assignee in and to the trademark.

This Assignment is deemed to be executed and delivered within the State of Delaware, and it is the intention of the parties that it shall be construed, interpreted and applied in concordance with the laws of the State of Delaware without regard to its conflicts of law principles.

IN WITNESS WHEREOF, Assignor has duly executed this Agreement on this ___ day of September, 2019.
